জাতীয় সঙ্গীত

আমার সোনার বাংলা,
আমি তোমায় ভালোবাসি।
চিরদিন তোমার আকাশে ॥ তোমার বাতাস
আমার প্রাণে বাজায় বাঁশি॥
ও মা, ফাগুনে তোর আমের বনে
দ্রাণে পাগল করে,
মরি হায়, হায় রে-
ও মা, অঘ্রানে তোর ভরা ক্ষেতে
আমি কি দেখেছি মধুর হাসি॥

কী শোভা, কী ছায়া গো,
কী স্নেহ, কী মায়া গো-
কী আঁচল বিছায়েছ বটের মূলে,
নদীর কূলে কূলে।
মা, তোর মুখের বাণী আমার কানে
লাগে সুধার মতো,
মরি হায়, হায় রে-
মা তোর বদন খানি মলিন হলে,
ও মা, আমি নয়নজলে ভাসি॥

OBJECT OF ROTARY

The object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and in particular to encourage and foster.

First : The development of acquaintance as an opportunity for service.

Second : High ethical standards in business and professions; the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve the society.

Third : The application of the ideal of service in each Rotarian's personal, business and community life.

Fourth : The advancement of international understanding, goodwill and peace through a world fellowship of business and professional persons united in the ideal of service.

Declaration of Rotarians in Business and Professions

As Rotarian engaged in a business or a profession, I am expected to:

01. Consider my vocation to be another opportunity to serve.
02. Be faithful to the letter and spirit of the ethical codes of my vocation.
03. Do all in my power to dignify my vocation and to promote the highest ethical standards on my chosen vocation.
04. Be fair to my employer, employees, associates, competitors, customers, the public and all those with whom I have a business or professional relationship.
05. Recognize the honor and respect due to all occupations which are useful to society.
06. Offer my vocational talents to provide opportunities for young people to work for the relief of the special needs of others, and to improve the quality of life in my community.
07. Adhere to honesty in my advertising and in all representations to the public concerning my business or profession.
08. Neither seek from nor grant to a fellow Rotarian a privilege or advantage not normally accorded to others in a business or professional relationship.

INVOCATION

We, the Rotarians are dedicated to maintain the dignity and worthiness of our calling by the acceptance and promotion of high ethical standards, and to regard our business or profession as an opportunity to express ourselves in service to society.

THE FOUR-WAY TEST

of the things we think, say or do:

01. Is it the TRUTH?
02. Is it FAIR to all concerned?
03. Will it build GOODWILL and BETTER FRIENDSHIPS?
04. Will it be BENEFICIAL to all concerned?

LIFE SKETCH OF PAUL P HARRIS (1868-1947)

FOUNDER OF ROTARY

Paul Percival Harris, the founder of Rotary and second of six children to George N. Harris and Cornelia Bryan Harris, was born in Racine, Wisconsin on 19 April 1868. He grew at Wallingford, Vermont in the care of his paternal grandparent since the age of three. A man with wide knowledge and varied experience, received Bachelor degree for Physical Culture from the University of Vermont and L.L.B degree from the University of Iowa. He also received honorary LL.D. degree from the University of Vermont. He was married to Jean Thomson Harris, a Scottish girl and a co-member of the Chicago Prairie Club.

Before settling in Chicago in 1896 to practice law, he worked briefly as a newspaper reporter, a business teacher, stock company actor, a cowboy and a salesman for marble and granite. He traveled extensively in the U.S.A. and Europe. One evening when he visited the home of a professional friend, he came across a number of tradesman in their businesses while strolling in the quiet neighborhood after the dinner. During this visit, Paul conceived the idea of a club which will bring the professionals from different trades together in a friendly spirit.

On 23 February, 1905, together with Sylvester Schiele, a coal merchant, Gustavus Loehr, a mining engineer and Hiram Shorey, a merchant tailor, formed the 1st club and named it 'Rotary' as the members met in rotation at their places of business. As membership grew the idea spread to other cities, neighborhood and across the national boundaries. Paul Percival Harris became the 1st President of the National Association of Rotary Clubs (in 1910) and also of the International Association of Rotary Clubs (later renamed as Rotary International) in the year 1912. Until his death on 27 January 1947, Paul was an active member of Rotary.

Today, the Rotary covers over 220 countries & geographical area with 1.2 million members in over 35,000 Clubs. It has touched the lives of millions in every corner of the world and can rightly claim that the sun never sets in Rotary world.

Club Trainer

It's been an immense pleasure for me to be the Editor of 85th Installation Souvenir of the first ever Club of Bengal Rotary Club of Dhaka (RCD) after Kolkata. Our club has seen three political eras, British India, Pakistan and Bangladesh.

We, Rotarians, are committed to work for the benefit of general people both nationally and internationally. I am feeling honoured to mention our activities, some short and long.

Unfortunately, we are going through a difficult time due to the COVID 19 pandemic. It is known to everyone that Rotary always works for the most disadvantaged people in the community. In spite of many challenges RCD contributed a lot to the COVID affected people by developing collaborative projects with different hospitals and institutes for the COVID-19 affected population. We are happy to say that during Rotary Year 2019-2020, we got the leadership of the Club President Rtn Dr. Niaz Abidur Rahman and his team who played a great role to establish rooms for COVID-19 patients and COVID testing, vaccination and treatment facilities in Kurmitola General Hospital. In addition, RCD organized training for the frontline workers and provided some equipment to the Kuwait Bangladesh Friendship Government Hospital.

As we know, during the pandemic situation many of the staff of offices, factories, restaurants, households lost their jobs. During this critical situation and during lockdowns, RCD distributed food to many of them and to many underprivileged people of the society.

RCD also planted 1040 trees and many other regular projects were implemented through our partners in service. Whole world is uncertain when this pandemic will end. In Bangladesh, the situation is worsening.

Still our club President Rtn Barrister Mohammad Shafayet Ullah continued to put efforts in continuing the projects particularly on COVID-19, that were initiated by his predecessor. Our regular project interventions were hampered/obstructed due to strict enforcement of lockdown in the country. All our regular weekly and other meetings were held virtually through the zoom platform. We could implement very few projects in person.

The most important project that RCD established is a SARS-Cov-2 Testing Laboratory in the National Institute of Cancer Research and Hospital with a global grant. The most exemplary contribution was by Rtn Barrister Shafayet Ullah by raising funds for The Rotary Foundation (TRF). Total funds raised during his time is USD 125,161, of which for USD 12,700 is allocated for Polio vaccine. Our Annual Fund is USD 10,332 and the rest of the amount, USD 70,529, is for the Global Grant projects.

Most remarkable and amazing news is that for the first time a female member became AKS from RCD.

Continuing the tradition of adding success and achievements, our Club President 2021-22 Rtn Abu Nawaz Bhuiya promises a full year of exciting projects for reaching a new height in the 85th milestone of the Club. The COVID-19 situation is currently worsening in the capital city, Dhaka, which means that the sufferings of ten's and thousands of poor and vulnerable people affected by COVID 19 pandemic will only aggravate.

On behalf of the Editorial Board it is my privilege to welcome the Club President, the Board and the members for a very effective and focused Rotary Year 2021-22. I am also taking the opportunity to welcome the Rotary Year 2021-22 District Governor, Governor Elect and Governor Nominee. I wish them success in their endeavour and good luck.

WE HAVE THE POWER AND THE MAGIC TO SERVE TO CHANGE LIVES So, dear change-makers leaders, I am sure you are ready to change lives of the most disadvantaged communities in our country. Together, let us Serve to Change Lives

Rtn PP Mahera Khatun PHF MD PHS

Installation Chairman

from Gratitude

Honorable Chief Guest Rtn Shekhar Mehta, President, Rotary International,
Guest of honor Rtn Barrister Mutasim Billah Faruqi, District Governor,
Distinguished guests, Ladies and Gentlemen,
Assalamualaikum.

On behalf of the Rotary Club of Dhaka, I take the privilege and pleasure to
welcome you all to the 85th Installation of the Board of Directors
2021-22 of Rotary Club of Dhaka (RCD) founded in 1937, the first
Rotary Club of the country.

Our Congratulations to the Immediate Past President Rtn
Barrister Shafayat Ullah and the Board of Directors for making
Rotary year "Rotary Opens Opportunities" a successful one. With
that in mind let us welcome President Rtn Abu Nawaz Bhuiyan
and his Board of Directors who would be able doing more
community and environmental oriented services to accomplish
"Serve to Change Lives".

As we usher in the new rotary year, we do so with mixed feelings.
In the midst of extraordinary challenges and countless personal
tragedies, an air of uncertainty looms over our heads. Covid 19
caught the world totally unprepared and came as a shock to
societies, health systems, economies and governments
worldwide. This unprecedented pandemic has thrown up several
insights about our current reality where RC Dhaka stood beside the Covid
affected people through different hospitals as well as food supplies to the
underprivileged people of the country through different chains. You will be
informed about the projects accomplished in the last Rotary year by Immediate
Past President and the roadmap of the current year's projects by the present
Club President.

Honorable Chief Guest, we are very much honored with your virtual presence in
the Installation ceremony of our Rotary Club which will inspire RC Dhaka
members for more services above self like your shining presence in last Rotary
year as RIPE. Thank you, very much respected Rotary International President
Rtn Shekhar Mehta. We are also thankful to District Governor Rtn Barrister
Mutasim Billah Faruqi, District Governor for his physical presence here today.

Ladies and gentlemen, I on behalf of the members of Rotary Club of Dhaka
express our heartfelt thanks to all of you who have joined here in the 85th
Installation Meeting of the oldest Club, Rotary Club of Dhaka.

May ALMIGHTY keep us and all around us protected and Safe.

Rtn PP Md Nasimul Hoq Majumder MPHF
Chairman,
Installation Committee 2021-22
Rotary Club of Dhaka.

Meet the RI President

Shekhar Mehta

President 2021-22

Rotary Club of Calcutta-Mahanagar
West Bengal, India

Mehta, an accountant, is chair of the Skyline Group, a real estate development company he founded. He is also a director of Operation Eyesight Universal (India), a Canada-based organization.

Mehta has been actively involved in disaster response and is a trustee of Shelter Box, UK. After the 2004 Indian Ocean tsunami, he helped build nearly 500 homes for families affected by the disaster.

He pioneered a program that has performed more than 1,500 life-changing heart surgeries in South Asia. He is also the architect of the TEACH Program, which promotes literacy throughout India and has reached thousands of schools.

A Rotary member since 1984, Mehta has served Rotary as director, member or chair of several committees, zone coordinator, training leader, member of The Rotary Foundation Cadre of Technical Advisers, and district governor. He is also the chair of Rotary Foundation (India).

Mehta has received Rotary's Service Above Self Award and The Rotary Foundation's Citation for Meritorious Service and Distinguished Service Awards.

He and his wife, Rashi, are Major Donors and members of the Bequest Society.

Presidential Initiatives

Equality is a fundamental human right, and it's necessary for a peaceful, prosperous, and sustainable world. Still, girls and women worldwide face inequities in areas including health and education and experience significant violence and disproportionate poverty. Rotary encourages clubs and districts to prioritize projects that improve the health, well-being, education, and economic security of girls in their communities and around the world. Take on a club-based initiative, a district grant, or a global grant that engages members of your community in a project that will protect and empower girls and increase equity by ensuring their access to resources that will improve their lives.

Host a Rotary Day of Service: a meaningful day of hands-on service activities where Rotary members and the community come together to improve their community.

Plan to attend a Presidential Conference. The 2021-22 presidential conference series will highlight the humanitarian work that Rotary clubs and districts pioneer locally and support globally.

shekhar.mehta@rotary.org

Dear Rotary Club of Dhaka Officer,

I congratulate you on your Installation as a club Officer for 2021-22.

I hope the upcoming year will be challenging, yet fulfilling. This year, we note all the

ways that we Serve to Change Lives. Service is the rent we pay for our time on earth and we will expand Rotary service as we "grow more and do more." We will grow through "Each One, Bring One." If every Rotary member could bring just one more person to Rotary, there is no limit to how much we can grow. We will do more by putting a special emphasis on empowering girls, so young women can have improved opportunities worldwide. We will also feature Rotary Days of Service, so that all members

share in our good works around the globe and look for new ways to serve beyond their backyards.

In Rotary, we are empowered to confront some of the world's most critical and widespread humanitarian issues. When we vaccinate an infant against polio, teach a young adult how to read, or bring water to a village by building a well, we are creating a better world for future generations. We serve the global community, and we're just getting started.

It is honor to work beside you as we guide our fellow Rotarians to another successful year. I am relying on you as we commit ourselves to Serve to Change Lives in 2021-22.

Kindest regards,

Shekhar Mehta
Rotary International President, 2021-22

from
Message

2021-22 Presidential Theme

Rotary International President Shekhar Mehta urged members to become more involved in service projects, saying that caring for and serving others is the best way to live because it changes not only other people's lives, but also our own.

Mehta, a member of the Rotary Club of Calcutta-Mahanagar, West Bengal, India, revealed the 2021-22 presidential theme, Serve to Change Lives, to incoming district governors on 1 February during the Rotary International Assembly. The assembly, a yearly training event for district governors-elect, was originally set to take place in Orlando, Florida, USA, but was held virtually because of the COVID-19 pandemic.

Mehta spoke about how participating in service projects through Rotary changed him as a person and made him empathize more with the needs of others. Soon after joining his club, he helped carry out projects that benefited rural communities in India.

Some of the poor conditions he saw in those communities strengthened his commitment to service. "I truly understood the plight of my brethren," he said.

Mehta participated in initiatives that brought artificial limbs to children, clean water and sanitation to homes, and better health care facilities to communities.

"Rotary kindled the spark within me to look beyond myself and embrace humanity," he said. "Service became a way of life for me and I, like many others, adopted the guiding philosophy that 'Service is the rent I pay for the space I occupy on this earth, and I want to be a good tenant of this earth.'"

Mehta encouraged district governors-elect to lead by example during their term and inspire Rotary and Rotaract members to participate in projects that have measurable and sustainable impacts. He's asking each club to conduct a Rotary Day of Service.

"At the end of your term as district governor, you should feel that because of your leadership, because of your inspiration to Rotarians and Rotaractors, the world has changed for the better because of the service done by them during the year," he said.

Focusing on diversity, membership

For the 2021-22 Rotary year, Mehta wants members to focus their efforts on empowering girls and ensuring their access to education, resources, services, and opportunities so that future generations of women leaders will have the tools they need to succeed. Mehta asked members to use Rotary's belief that diversity, equity, and inclusion is critical in all we do as a compass to guide this work.

"There are many issues that girls face in different parts of the world, and you as leaders will ensure that we try and mitigate the disadvantage of the girl that they may have," he said.

"Rotary kindled the spark within me to look beyond myself and embrace humanity."

Shekhar Mehta
Rotary International President

To be able to do more through service, Rotary needs to increase membership, Mehta said. Membership has hovered around 1.2 million for the past two decades. He challenged the incoming governors to be catalysts in their districts to help increase membership to 1.3 million by 1 July 2022. Mehta's Each One, Bring One initiative asks every member to bring one person to join Rotary within the next 17 months.

Increasing membership while also continuing our commitment to eradicating polio, fighting COVID-19, and serving our communities is an ambitious goal. "And that should excite you," Mehta said. "Rotarians love challenges."

Meet the RI President Elect

Jennifer E. Jones, a member of the Rotary Club of Windsor-Roseland, Ontario, Canada, has been nominated to become Rotary International's president for 2022-23, a groundbreaking selection that will make her the first woman to hold that office in the organization's 115-year history.

Jones will officially become president-nominee on 1 October if no other candidates challenge her.

Jones says she sees Rotary's Action Plan as a catalyst for increasing Rotary's impact.

"As we reflect upon our new strategic priorities, we could have never envisioned that our ability to adapt would become our North Star during what is inarguably the most profound time in recent history," Jones said in her vision statement. "Silver linings rise out of the most challenging circumstances. Using metric-driven goals, I will harness this historic landscape to innovate, educate, and communicate opportunities that reflect today's reality."

As the first woman to be nominated to be president, Jones understands how important it is to follow through on Rotary's Diversity, Equity, and Inclusion (DEI) Statement. "I believe that diversity, equity, and inclusion ... begins at the top and for us to

realize growth in female membership and members under the age of forty — these demographics need to see their own reflection in leadership," Jones said. "I will champion double-digit growth in both categories while never losing sight of our entire family."

Jones is founder and president of Media Street Productions Inc., an award-winning media company in Windsor. She was chair of the board of governors of the University of Windsor and chair of the Windsor-Essex Regional Chamber of Commerce. She has been recognized for her service with the YMCA Peace Medallion, the Queen's Diamond Jubilee Medal, and Wayne State University's Peacemaker of the Year Award, a first for a Canadian. Jones holds a Doctor of Laws (LL.D.).

A current Rotary Foundation trustee, Jones has been a Rotary member since 1997 and has served Rotary as RI vice president, director, training leader, committee chair, moderator, and district governor. She played a lead role in Rotary's rebranding effort by serving as chair of the Strengthening Rotary's Advisory Group. She is the co-chair of the End Polio Now Countdown to History Campaign Committee, which aims to raise \$150 million for polio eradication efforts.

Jones recently led the successful #RotaryResponds telethon, which raised critical funds for COVID-19 relief and was viewed by more than 65,000. Jones has also received Rotary International's Service Above Self Award and The Rotary Foundation Citation for Meritorious Service. She and her husband, Nick Krayacich, are members of The Rotary Foundation's Arch Klumph Society, Paul Harris Society, and the Bequest Society.

The members of the Nominating Committee for the 2022-23 President of Rotary International are: Robert L. Hall, Dunwoody, Metro Atlanta, Georgia, USA; Bradford R. Howard Oakland Uptown, California, USA; Per Høyen, Aarup, Gelsted, Denmark; Peter Iblher, Nürnberg-Reichswald, Zirndorf, Germany; Ashok Mahajan, Mulund, Mah., India; Sam Okudzeto, Accra, Accra, Ghana; Eduardo San Martín Carreño, Majadahonda, Madrid, Spain; Takeshi Matsumiya, Chigasaki-Shonan, Chigasaki Kanagawa, Japan; Michael K. McGovern (secretary), Cape Elizabeth, Maine, USA; José Alfredo Pretoni, São Paulo-Sul, São Paulo, Brazil; Saowalak Rattanaich, Bangkok, Bangkok, Thailand; Hendreen Dean Rohrs, Langley Central, Surrey, British Columbia, Canada; Kenneth M. Schuppert, Jr (chair), Decatur, Alabama, USA; Ravindra P. Sehgal, Belur, West Bengal, India; Noel Trevaskis, Merimbula, Tura Beach, Australia; Giuseppe Viale, Genova, Genova, Italy; and Chang-Gon Yim, Daegu-West, Daegu, Korea.

Introduction of Rtn Barrister Mutasim Billah Faruqui

District Governor 2021-22

RI District 3281

Colors of Versatility: Life of District Governor

Purpose is the life-compass. It gives the direction and guides to our destination, towards one of greater fulfillment. The great philosopher, **Moulana Jalal Uddin Rumi (RA)** said, *'Everyone has been made for some particular work and the desire for that work has been put in every heart'*. Finding the purpose is the most powerful thing one can do in life, but if someone waits for the purpose to fall in lap, waiting never ends. The quest of **Barrister Mutasim Billah Faruqui** for the purpose of life has been triggered in his early days by his family that is spirited with the flame of love for winning hearts of people. He realized his meaning of life through a deep realization of *'making a person smile can change the world, may not the whole world, but their world'*. He embraced **'Make Smiling. Be Smiling.'** (ফেঁটাই হাসি জীবনের আনন্দে) as the mantra of his life.

The father, a language movement veteran, **Professor Ashraf Faruqui** earned both Graduation and Post-Graduation certificates from the University of Dhaka. He started his career in the then Paki-

stan Government central service, but sacrificed that senior position to be an educationist for making contribution in building the nation, building the country. He joined the **'Government Bangla College'** in Mirpur, Dhaka and played a key role in its emergence. He was the Founder Head of the Bangla department before taking over the responsibility as the **Principal**. He was a member of **Rotary Club of Narayanganj** during his stay in that city in early days of his career.

The mother, a lady who was popular for her love and caring, **Begum Suraiya Faruqui**, never let anyone to return empty handed who was in need of assistance. She was a school teacher and a strong voice of women empowerment. She was recognized with the **'Best Joyeeta Mother Award'** of Dhaka Division by the Government of Bangladesh.

Barrister Faruqui was born on 10 September 1968 in this family known as **'Faruqui Bari'** in Jamalpur having **seven siblings** amongst whom four are in the civil services under the Government of Bangladesh and other three are in consultancy, journalism and banking professions.

We all know, behind every successful man, there is a woman. Barrister Faruqui never says his beautiful spouse, always loving **'Bithee'**, the **Rokeya Faruqui Bithee** backs him from behind, rather she keeps encircling him from all sides of life, acts as the ultimate source of inspiration for him and their children. Bithee is a successful woman entrepreneur. By heart, she is an Art and Culture Enthusiast, who earned her both Graduation and Post-Graduation from the University of Chittagong in Sociology. The **ever young couple** of **'Bithee' & 'Faruqui'** is **blessed** with **two** finely groomed sons.

The eldest one, **Munqalib Faruqui Manjir**, is now practicing with Tanjib Alam & Associates after achieving his **Barrister-at-Law** with the distinction of **'very competent'**, at age of only twenty-three, from the Honorable Society of Lincoln's Inn, the same one from where his father also attained the Barrister-at-Law, that makes a **'rare reality'** true!

The younger one, **Ishraque Faruqui Mashrur**, is pursuing his Bachelor degree from the **York University**, Ontario, Toronto, Canada in **Computer Science**.

If it is asked to define the persona of Barrister Faruqui in a single word, the one that comes in our minds instantly is '**versatility**'. Multi-talents and great virtues are blended so perfectly that keeps adding versatilities in every sphere of life of Barrister Faruqui.

Versatility in Rotary Life: It was May 2002, when touched by Late PP Manzur Hasan Minto first time for Rotary, the young Faruqui found Rotary vision for a better world is a broader extension of his own life purpose. He was captivated by 24-words of **The 4 Way Test** and started his journey as a **Charter member of RC Dhaka Fort**.

As a charter **Dhaka Fortian**, for about two decades he has been instrumental to strengthen the club serving in all possible leadership scopes a Rotary club offers. He led his club as the President for 2008-09. Out of 17 Ceremonies of the Installation of club board, he was unanimously chosen record 8 times as the event Chair. His mission of extending Rotary and its membership has always been an inspiration for others; being the GSR of RC Ahsan Monzil is an example beyond club level.

Glories Serving at District 3280 & 3281: 1) Assistant Governor for 2012-2013, 2) Deputy Governor for 2014-15, 3) Lieutenant Governor for 2015-16, 4) Chairman of District Rotaract Committee for 2016-2017, 5) Chairman of the 4 Way Test Promotion Committee for 2018-19.

Glories with District Events: 1) Chair of the District Year Launching Ceremony 2015, 2) Chair of the District Planning, Introduction & Team Building Seminar 2015, 3) Chair of the International Women Day Celebration Program 2015, 4) Chair of the District Fellowship Program 2015, 5) Chair of the PETS& AGTS 2016, 6) Chair of the PETS 2018, 7) Co-Chair of the District Conference 2006 & 2017, 8) Chief Advisor / Advisor of the District Award Ceremony 2017, Year Launching 2017 & District Assembly 2018, 9) Chair of the Multi-Clubs Service Project 2018 of 163 Clubs.

Glories with Awards & Appreciations: 1) RI Club Builder Award for 2015-2016, 2) Outstanding Service Award from Rotary District Governor for 2015-2016, 3) Platinum Award from Rotary District for 2015-2016, 4) Many more awards & appreciations at District level, 5) Income Tax Reward by NBR in 2006 and 2007, 6) Best Organizer Awards from some other several organizations.

RC Dhaka Fort has achieved its biggest glory on the twenty third day in February 2019, when Barrister Mutasim Billah Faruqui was elected as the **District Governor Nominee Designate** as **unopposed** for the first time in the history of D3281.

We experienced his **humble leadership** once again from his remarks after he became a proud Graduate one more time in his life qualifying for taking over the District Governorship for 2021-22 completing the **International Assembly 2021** successfully. He said, '*it is my life time experience and Bangladesh performed well making us proud*'; when it was his performance that was appraised with high appreciation.

Versatility in Academic Life: The sign of versatility is traced back all throughout academic life. He earned his **Graduation** (Hon's) in English from University of Chittagong, but **Post-Graduation** (Masters) from Business School of NUB. Took another turn in academics – studied law and achieved Hon's as **LLB & PG Diploma** on Bar Professional Training Course from University of Northumbria, UK; and the **Bar-at-Law** from Lincoln's Inn, London & Called to the BAR of England and Wales in 2014.

Versatility in Career: Versatility started showing its colors when he stepped in his career life. Began career in **journalism** as a Sub Editor in Daily New Nation, but had a turn as a Marketing Executive with Nestle Bangladesh, a globally reputed **MNC**. Another turning was waiting for him completely putting him in a different arena, made him joining with **Civil Service** in Taxes cadre, destined him to serve people and to serve the country contributing in the economic growth which allows him to make his purpose of life more meaningful. His successes are the key of achieving continuous growth in his career, keep him promoting as Deputy Commissioner, Joint Commissioner and Additional Commissioner of Large Taxpayers Unit. At present, he is serving as the **Commissioner of Taxes** at National Board of Revenue.

Versatility in Trainings at home & abroad: Barrister Faruqui always talks with his performances giving extra-ordinary results. To bring more out of him, he was groomed through many high-value trainings, which he passed with distinctions.

1) Various trainings under Directorate of Training (Taxes), 2) Foundation Training under BPATC, 3) Computer Appreciation under IBA, Dhaka University, 4) Fraud Awareness under IMF Project – RIRA, 5) Transfer Pricing Course at OECD TAX Center, South Korea & judged as Best Participant, 6) Registration of Tax payers in Malaysia Tax Academy, 7) Represented Bangladesh in SAARC Seminar on Tax Intelligence at NAPD, Nagpur, India.

As a Trainer / Resource Person: He has also been instrumental as a Trainer for grooming future leaders in numerous training programs of:

1) Guest Trainers for training programs by BPATC, National Academy for Planning and Development, Bangladesh Institute for Administration & Management, BCS (TAXES) Academy and other Institutes; 2) Numerous Training Programs of Rotary District.

Versatility in Literature Publication: A number of articles from him published in various renown publications.

1) Professional Journal: Tax Chronicles; 2) Articles in Daily New Nation; 3) Bangla version of the 'ABC of Rotary' & 'Sohoj Bangla-y Citation'; 4) Several more publications.

Versatility in Engagement with Social & Professional Bodies: Fellowship is another strength of Rotarian Faruqui. A perfect blending of his life purpose and his fellowship virtue, keeps him driving to engage himself with social and professional bodies to serve people for bringing smiles on their faces.

1) Treasurer of the Officers Club, Dhaka for 2016-17; 2) General Secretary (In-charge) of the Officers Club, Dhaka for 2007; 3) General Secretary, Chittagong University Ex-Students Club, Dhaka for 2008-12; 4) Founder President, 13th BCS Forum; 5) Publication Secretary, BCS Taxation; 6) Founder President of NUB Alumni Association, Dhaka; 7) Treasurer of Jamalpur Samity, Dhaka; 8) Convener of Greater Mymensing Jubo Samity, Dhaka; 9) President of Udayachal Samabaya Samity, a successful housing project for BCS cadre officers; 10) Life Member, Assistance for Blind Children (ABC).

Versatility in Sports: Sports and Culture are his 'interests' of love which keeps his heart and mind vivid, and brought remarkable successes.

1) Champion in Inter-Hall, Faculty & College Volleyball Tournaments; 2) Participated Inter-University Volleyball competition & Inter School national level Football; 3) Champion in Income-Tax Football, Badminton & Table Tennis Tournaments; 4) Champion (Individual) in Tax Departmental Indoor Sports; 5) Champion in Officers Club Dhaka Badminton Tournament.

Travelled abroad: Widely traveled countries in South / South East / East Asia, East Asia, Europe with Scandinavia and North America. He attended RI Conventions at Copenhagen (Denmark) in 2006 and Montreal (Canada) in 2010.

Let's lead to be the 'Champion' of Services...

It's always joyful of joining the celebration of the installation of the board of directors of a Rotary club. Its more joyous to join the celebration of RC Dhaka which takes us all to one more step towards the biggest celebration of 100 years of Rotary in Bangladesh! On this grand occasion, gratefully I remember the man, **HR Wilkinson and his mates** who formed this club, *the first Rotary club in Bangladesh*, in 1937, only after 32 years after what **Paul P Harris** did with Rotary Club of Chicago, *the first Rotary club in the world history*.

This celebration has been turned as the grandest being graced by our 'Change-Maker' RI President, **Shekhar Mehta**, the "people's man" himself as the Chief Guest. The word **Shekhar** comes out of Sanskrit word 'Shikhar' which means 'the top, peak'. Yes, our **most beloved Shekhar Mehta** is really on top with so many 'inspiring' characteristics – charisma, commitment, innovation, motivation, actions and much more; above all he is the one who dreams big and turns those bigger. He has been the inspiration for dreaming big:

- a 'big dream' of 'Bangladesh Rotary Priority Community Project (BRPCP)' – bridging Government and private sector with us through the biggest partnership after polio eradication, for setting 'comfort stations' in schools nationwide which are female-friendly inspiring the 'empowerment of our women' for a better Bangladesh;
- a 'big dream' of a permanent fully functional 'Rotary Center' with full facilities, which shall give Rotary a solid foundation for future leadership in making social changes in Bangladesh;
- a 'big dream' of 'Rotary Foundation Bangladesh' which shall be the charitable arm of Rotary in Bangladesh with the aim of creating larger partnerships for greater impacts of TRF in our societies;
- a 'big dream' of planting and nourishing 'One Million' trees to grow to protect our environment for making making our future generations proud of us by giving them a livable country.

RC Dhaka, since its inception, has never left any opportunity unturned in the mission of changing lives; whether it's the first ever public shade in Dhaka or bringing smiles on our loving children's faces with sleeping kits around the country, or it's the cancer detection unit or making shelters for homeless etc. etc. I know, this mission will remain continued in this year and onwards; and will keep propelling its action plan to strengthen Rotary in Bangladesh whether with membership growth or TRF giving or projects under TRF grants.

Together, we are embarking on a new journey during a time of unprecedented circumstances and major challenges; I also see tremendous opportunities. My dear 'Change-Maker' leaders, we want to be the champion service organization for our society, for our country, for our world – a smiling world. Therefore, our plans should be sharp, our eyes should be keen and our endeavor should be challenging. **We will work as a team, stepping ahead with the spirit of 'Synergy' to achieve all the 'big dreams'.**

I and our First Lady Rokeya Faruqui Bithee have full confidence on the leadership of the 'Change-Maker' President Abu Nawaz Bhuiyan and his board who shall be a strong player for our district to achieve our big dreams taking Rotary in Bangladesh to a greater height, bringing smiles in the faces of our people and imprinting Rotary in the minds of our people. My heartfelt gratitude to **IPP Barrister Shafayat Ullah** and his team for their amazing leadership maintaining the long heritage of RC Dhaka successfully with excellent initiatives even in this challenging pandemic situation.

Let's be the true 'Change-Maker' to 'Serve to Change Lives' by creating the 'Synergy' inside and outside Rotary with 'The 4 Way Test' in our hearts as guiding mantra for our works and words for a **smiling world** through Rotary.

Make Smiling. Be Smiling.

Yours in Rotary,

Barrister Mutasim Billah FARUQUI
District Governor 2021-22

District Governor-3282

It's an immense pleasure for me that the oldest and 1st Rotary club in Bangladesh, Rotary Club of Dhaka is going to celebrate it's 85th Installation Ceremony on 06 July 2021 at Pan Pacific Sonargoan Hotel with hybrid technology. It's a boost up moment for both the incoming and outgoing boards to look forward to fascinating the motto and vision of Rotary. I congratulate the president Rtn Abu Nawaz Bhuiyan and hope for innovative initiatives and good regular performances from him in the year 2021-22.

Indeed it is a great honor for me to attend the program just because RI President Shekhar Mehta is the Chief Guest. We have learned a lot from his motivational and informative speech about Rotary.

Rotary Club of Dhaka has a long history in the Rotary Movement. In this history this club organized more than 50 Rotary clubs across the country. This club is doing a fantastic job to serve humanity with their variety of services projects such as Sleeping kit distribution, Safe Sanitation and Drinking water, School Dental and Eye Check-up.

This is the moment that we serve to people around the world to change lives and let people know what Rotary is all about. Due to COVID-19 this is the opportunity for innovative ideas of meetings and service projects.

RI President Shekhar Mehta has given us a meaningful theme for the year "Serve to Change Lives". You all are "change makers" as you dedicate your time, talent and resources to serve in order to make changes in lives.

I also like to congratulate each of the new Board members, fellow club members and members of COG. May Allah help us and "Serve to Change Lives"

Abu Faiz Khan Chowdhury
District Governor 2021-22
District 3282

It is my privilege to congratulate the Rotary Club of Dhaka, the first club of Bangladesh, on its 85th installation of the incoming president and his board of directors for the Rotary year 2021 -2022.

The Rotary Club of Dhaka is one of our exemplary clubs in the district. Many legendary social leaders of this country are members of this historic club. This club has set a very high benchmark of surviving the community through its continuous efforts. I value their accomplishments of the past years and believe the new leadership will keep this flag high.

As this club launches into the new Rotary year under the stewardship of an enthusiastic Rotarian Abu Nawaz Bhuiyan as President, the club will be fuelled with renewed strengths, passion, and commitment to drive this legendary club to a greater height to face this challenging time. I congratulate the newly installed club board. I also take this opportunity to congratulate IPP Barrister Shafayat Ullah and his Board for passionately serving through the various projects carried out last year.

It has been a difficult year and we are still going through this Pandemic, we should all be inspired by the innovative spirit of Rotary's founder, Paul Harris, who said back in 1935, "This is a changing world; we must be prepared to change with it." I am sure, our new world of lockdowns and social isolation has been hard for many of you. But it has forced us to reflect not only on personal priorities but also on Rotary's mandate over time. Despite all that we have been through and all of the rapid change we have endured, we are surviving this crisis and becoming stronger. Like many Rotarians, I also feel that Rotary should be more responsive to new ideas and changes to remain relevant in this crisis. My humble request to the newly installed board to be more innovative, more engaged to be successful this year.

This year, Rotary International President Shekhar Mehta urged members to become more involved in service projects, saying that caring for and serving others is the best way to live because it changes not only other people's lives but also our own. I am sure, The Rotary Club of Dhaka is motivated by the RI president's call and shall continue to serve humanity at this time as in the past.

I believe, in this 'New Normal' lifestyle, the newly installed board will show exemplary leadership to enhance, explore and adopt to serve to change lives.

Thanks and Regards,

Rtn Engr M.A Wahab PHF, B, MD, PHS
District Governor-Elect
D3281, Rotary International

District Governor Nominee

Dear President, Rtn. Abu Newaz Bhuiyan,

My sincere thanks and gratitude to you and to all the members of the first Rotary Club in Bangladesh – Rotary Club of Dhaka, at the 85th Installation Ceremony of the Board of Directors 2021-22 which is being held at the first meeting of the Rotary Year as per its tradition.

My heartiest congratulation and best wishes to Club President Abu Newaz Bhuiyan and his Board on this auspicious occasion. I would also like to thank Barrister Shafayat Uallah and his Board for their excellent work during Rotary year 200-21.

I always take pride that my journey to Rotary back in 2001 began as the member of Rotary Club of Dhaka. I was fortunate to become the Platinum (75th) President of this club during 2012-13. From Rotary orientation to climbing up in the leadership ladder, I got tremendous support from this club. It was indeed a great opportunity and honour for me.

During my journey in Rotary Club of Dhaka, I got the opportunity to serve the club in various capacities, but I recollect my memories when I was the Chairman of Sleeping kits Distribution Committee during 2015, the signature project of the club. During my presidential tenure, under the leadership of platinum District Governor PDG Ishtiaque Zaman, we organized Rotary Peace Conference where we recognized our honorable Prime Minister

Sheikh Hasina with Rotary Peace Award that was really a very special moment of the club. Apart from that I have many great memories where I was actively involved with many humanitarian service projects of the club.

I am proud that since its formation in 1937, Rotary Club of Dhaka has been doing good in the world and led many humanitarian projects in Bangladesh from the front. This club is a role model for Bangladesh and rest of the Rotary world. Currently there are over 11,000 Rotarians in Bangladesh, but the root is embedded in Rotary Club of Dhaka.

We are over 1.2 million Rotarians are dedicated to serve the humanity to uphold our motto 'Service Above Self'. In Rotary, when we help a person, either down the street or across the world, teach a child, vaccinate an infant against Polio or provide medical help, we create a positive impact on the world that has a positive effect on our current and future generations.

Our world leader, Rotary International President Shekhar Mehta has envisioned to grow Rotary membership to 1.3 million. He has urged each Rotarians to bring one new member (each one bring one) to our clubs. Let us 'Serve to Change Lives' and prove us as a true change makers of our family, society, country and the world.

I would also like to congratulate Installation Chair PP Engr Nasimul Hoq Majumder for his wonderful leadership for making this event a success.

My spouse Monira joins me in wishing at the 85th Installation Ceremony of the Board of Directors 2021-22 a grand success.

Yours in Rotary Service,

Rtn. T I M Nurul Kabir

District Governor Nominee

Many of us know that the name "Rotary" was derived from the early practice of rotating meetings among members' offices. The symbolic wheel of the Rotary logo also follows the law of rotation. Look at the annual changeover in Rotary leadership – in district or in clubs! No delay, no confusion and no argument!! Isn't that amazing? The wheel has been rotating since over a century, so is this year and that's how, Rotary Year 2021-22 has emerged.

It's indeed a great pleasure to know that Rotary Club of Dhaka, the first Rotary Club and pioneer of Rotary in Bangladesh is going to hold their 85th Installation Ceremony on the 6th of July 2021. I do congratulate Rotarian Abu Nawaz Bhuiyan and his board for agreeing to take the lead of a veteran club like Dhaka. Also I'm grateful to IPP Barrister Shafayat Ullah and his dedicated team for presenting an eventful & successful year 2020-21.

Although All's Well That Ends Well is a play by William Shakespeare, but we have a firm belief in what this literally mean. I'm referring to the crucial and arduous days or months of Rotary Year 2020-21 in district 3281, when the clean blue sky turned pale and had been overcast with dark cloud in the form of a virus that appeared like a stranger.

But I knew, what famous American author Jim Rohn said: Either you run the day, or the day runs you. Great Bengali Poet

Satyendranath Datt also said, মেঘ দেখে কেউ করিসনে ভয় আড়ালে তার সূর্য হাসে। Thanks to the Almighty Allah that with His Blessings we could challenge all challenges and could put all the craggy way behind to reach yet another milestone last year. I do firmly believe that in spite of all the obstacles that came our way, the legacy of Rotary Year 2020-21 would be engraved in 'golden letters' till Rotary exists.

I'm extremely grateful to my courageous troop to be beside me, as it's because of their brave approach, the year that began amid fear and uncertainty, ended in joy & jubilation, service & success. Hats off to my entire team, who turned crisis into opportunities. My special gratitude to IPP Barrister Shafayat, PP Dr. Niaz, PP Bayezid, PP Mahmudur Rahman and all members of Rotary Club of Dhaka who played a major role behind many of the achievements last year.

But as we can see, the tremor is not over yet and we have to accustom us to the new normal. So is the leader of this year my dear friend DG Barrister Mutasim Billah Faruqui doing. He has very efficiently learnt from last year's scenario and prepared his team by adapting to the situation. My heartfelt congratulations and felicitations to him and his team. Hope, Rotarians will continue to **serve to change lives**.

Last but not the least, I do congratulate very able Installation Chair PP Engr Md Nasimul Hoq Majumder and his team for organizing this gala event. Thanks once again to President Abu Nawaz and all the members.

I wish a great success of this ceremony.

Stay safe & stay Blessed.

Md Rubayet Hossain
Immediate Past District Governor

President, RC Calcutta

Rtn Abu Nawaz Bhuiyan
President 2021-22
Rotary Club of Dhaka

Greetings from Rotary Club of Calcutta- The Old Number One!

Even from miles apart, we are connected as Rotarians by the thread of Service to Mankind. It is wonderful to know that you are taking up the mantle of leadership of your Club during a time when the pandemic has shown us the new normal.

While wishing you and your team a great year, we wish you all the success as President to **"SERVE TO CHANGE LIVES"**. Stay Safe Stay Blessed Sujata Pyne President 21-22 Rotary Club of Calcutta- Asia's Longest Running Club with 102 Years in Service To Mankind.

Rtn Sujata Pyne
President 21-22
Rotary Club of Calcutta

President 2021-22

from
Message

AssalamuAlaikum and very good evening to you all.

It is a great honor for me to serve the Rotary Club of Dhaka, the first Rotary Club in Bangladesh, as the 85th President. I am extremely grateful to the esteemed members of the Club for choosing as the President for Rotary Year 2021-22.

Rotary Club of Dhaka, founded in December 1937, has a long tradition of humanitarian service to the underprivileged in the society and cultivates peace with the true spirit of 'SERVICE ABOVE SELF'. I had the proud privilege of associating myself with this Club since 1988 as a Rotaractor of Rotaract Club of Dhaka Udayan, one of the four Rotaract Clubs sponsored by Rotary Club of Dhaka.

Dear Members,

The Rotary Year 2020-21 has been challenging due to the outbreak of Covid 19 worldwide resulting in lock-down of economic and social activities to control the spread of Corona virus. I would like to thank **Rtn Shafayat Ullah**, my predecessor, and all Club members for leading Club in cooperation with other Clubs, government and non-government participants for organizing mega programs like establishing RT-PCR Lab, food distribution and financial support to the mostly underprivileged members of the society which has been well chronicled in the Installation Souvenir.

I also thank all Rotary Clubs, RI Districts, Rotarians, District Governors, Past District Governors and well-wishers both from home and abroad for participating with the Club for 3 new Global Grant (GG) Projects, partnering with 2 other GG projects and running 3 on-going GG projects initiated for combating Covid 19 pandemic, involving over 500,000 USD, the highest ever.

Fellow Members,

Every year the Club embark on new challenges with changes in the Club leadership. The Covid 19 pandemic in the last 21 months has been the most challenging since the Liberation War in 1971. We are witnessing lock-down and social distancing, when people cannot meet each other, families remain isolated from one another, and businesses suffer. Despite all these hindrances, the Club still managed to move forward to meet the challenges of the new normal.

We also privileged and honored to have the gracious presence of our Chief Guest, Rotary International President, **Rtn. Shekhar Mehta** and also the presence of our District Governor **Rtn Barrister Mutasim Billah Faruqi** as the Guest of Honor.

"I have no fear of the future," Winston Churchill once said. "Let us go forward into its mysteries, let us tear aside the veils which hide it from our eyes, and let us move onward with confidence and courage – let us go forward together", with the Rotary 2021-22 theme "**SERVE TO CHANGE LIVES**".

LONG LIVE ROTARY CLUB OF DHAKA

Rtn Abu Nawaz Bhuiyan PHF
President

Immediate Past President

from Message

My time here began amidst the Covid-19 craze, and it went by in the speed of light. Looking back at all of our past Presidents with immense admiration, spending a whole year as the President of Rotary Club of Dhaka, was nothing short of a dream come true. I have been extremely fortunate to have a wonderful Board of Directors who have been assisting, guiding, and inspiring me throughout the year, even during this exceptionally difficult time of the pandemic. I express my deepest gratitude to each and every one of them for their whole-hearted support.

I also extend my eternal gratitude to all the members of Rotary Club Dhaka, who have contributed in their own unique ways and responded to my calls; together, we were able to donate more than USD 150,000 in the TRF, and additionally was able to contribute in cash, time, and volunteer work, a total of nearly USD 15,20,000 worth of projects.

Moreover, we have been extremely fortunate to have the very first AKS in the past 85 years history of Rotary Club Dhaka, in Rtn Mituli Mahbub Hossain AKS, who is the sweet daughter of our beloved late PDG Ali Mahbub AKS, who has also been a proud member of this esteemed and prestigious Club.

At the beginning of the year, my goal was to have a positive growth in membership and also strike a balance in the gender ratio of the members of the Club. During my Presidency, the Club has witnessed a net membership growth of 29%, a female membership growth of 200%, and a rise in the female membership ratio from 9% to 21%. I hope for the positive trend to continue, and I dream for Rotary Club of Dhaka to have a female membership ratio of 50% in the near future. I am confident this will have a very positive impact and can work as a strong statement to the Rotary world that Rotary Club of Dhaka believes in action more than words, especially in terms of empowerment and equality.

My year here began with the holy Eid-ul-Adha, for which we arranged 11 (eleven) cows and 03 (three) goats to be sacrificed, the produce of which were distributed to 1000 (one thousand) destitute families and approximately 4000 (four thousand) underprivileged citizens affected by flood in the regions of Rowmari and adjoining locations.

In addition to the sacrificial meat, we also arranged food bags containing rice, onions, cooking oil, salt, vermicelli, and various other ingredients used for this holy festival. Needless to say, the project was executed successfully, paving our way into this world for more glorious achievements.

Challenges tagged along throughout the year with this dream of Rotary Club of Dhaka in its endeavor to serve humanity; however, the members of the Club were more than happy to face every one of them. Eid was over, but the flood was not. As Bangladesh faced the worst flood in history, we launched the Emergency Relief Project to raise funds for individuals affected by the flood.

With the ongoing pandemic of Covid-19, our next project included establishing a Global Grant Project worth nearly USD 100,000 - the RT-PCR laboratory at the National Institute for Cancer Research and Hospital (NICRH), our vision being providing diagnostic facilities to underprivileged Cancer patients, as well as providing Covid testing facilities.

This year, we were fortunate to have 05 Global Grant projects by ourselves and actively participated in 03 additional Global Grant Projects, culminating to a total of 08 Global Grant Projects, which is a milestone in Rotary Club of Dhaka's 85 years of rich history. My heartiest congratulations to each and every member of the Club on achieving this feat.

Our next conquests included the distribution of 50 (fifty) Gas Cylinders, and 650 bags of food items to 650 families from 2 locations in Jamalpur, planting a thousand fruit saplings through the joint Tree Plantation Program, and building 30 houses for 30 distressed and underprivileged families in Gazipur.

During 2020-2021, we have successfully been involved in over 55 projects, and we could not have accomplished any of these alone; I am eternally grateful to all the kind souls who have contributed consistently throughout this endeavor.

I entered the Rotary Movement holding the hand of my father, Rtn PP A.T.M. Taher Ullah PHF in the year 1988, with a dream to serve humans and promote humanity. Now, upon finishing my term as the 84th Club President of the first ever Rotary Club of the country, I feel honored, humbled, yet thirsty for more. Despite achieving feats of success as a club one can only envision, especially considering the difficult times of the pandemic Covid-19, I feel extremely fortunate and blessed to have had the generosity, commitment, and the urge to help the destitute from all the members of this esteemed Club.

I feel as though this is merely the beginning of another era. Although my year as a President of the Club has ended, I believe the responsibility to be a better human being and to serve humanity has just begun. As Robert Frost would say, "Miles to go before I sleep, and miles to go before I sleep."

Rtn IPP Barrister Shafayat Ullah PHF B MD PHS

President Elect

from
Message

Dear President,

Rotary Club of Dhaka, the Premier and oldest club in Bangladesh, which is essentially perceived as the leading Rotary Club of this country, and I am undoubtedly and extremely enthusiastic about my present role in the club. I am also looking forward to the role of President that I shall be playing in 2022-23.

Since its inception, this club has been setting exemplary milestones, and providing service to humanity on a continuous basis. It is excelling in its service through innovation and thereby expanding its reach through engaging its members, partners and beneficiaries. The Club has been successful because of its ability to adapt to the changing situations and by trying to create a long lasting impact in the area of focus.

Undoubtedly, it's a matter of prestige and honor for me to be elected to lead this club in the year 2022-23. My association with the Rotary family began in November, 2000. The motto of service and fellowship of Rotary has been the cornerstone of my involvement with Rotary: and its humanitarian projects give me an immense satisfaction when I see the joy on the faces of beneficiaries. Our individual contribution may be small but our combined efforts are the steps towards making the world a better place.

Rotary Club have completed a good number of projects during 2020-21. Congratulations to all members, especially the outgoing leader Barrister Shafayet Ullah MPHF for leading the club in such an excellent manner. My best wishes to Rtn. Abu Niaz, President 2021-22 and his board members. I am confident that under his skilled leadership the club will excel in activities and the impact of which will last for a period of long time.

Lastly, I believe in upholding the spirit of the Rotary Club of Dhaka in everything that we do and I am determined to create a community that is filled with integrity, understanding and compassion for one another where progressively more people are able to comprehend and acknowledge the significant role the Rotary Clubs play in the society and also to leave a proud example for my successor to follow.

Let us all work together to uphold the flag of Rotary Club of Dhaka high.

Rtn. Engr. Md. Nurul Islam MPHF

President-2022-23

Rotary Club of Dhaka.

Report from the

Desk of Secretary 2020-21

The asset of Rotary club of Dhaka is nothing but its thoughtful & resourceful members which enable the club to be one of the best rotary club of the country since 1937. This year also not different from earlier, most of the members actively participated in planning, arranging & executing of many projects & programs throughout the year even in this pandemic situation. Please allow me to summarize club's activities of 2020-21 and present in front of you.

Membership Growth Status

The Club saw a phenomenal growth in membership in this Rotary Year. Gender gap also substantially minimized.

Particulars	Year 2019-20	Year 2020-21	Growth
Total Active Members	55	70	27.30%
No. of Female Members	5	14	180%
Female - Male Ratio	1:10	1:04	
No. of Honorary Members	2	4	
Average Attendance in Regular Weekly Meeting		61.64%	

Meet our 19 New Entrants in 2020-21

Sl.	Name	Classification
1	Rtn Mituli Mahbub Hossain	Management - Real Estate

History of Rotary Club of Dhaka

84 years of Service to Society

Compiled by Rtn PP Khandker Badrul Hasan PHF

Background History:

Dhaka in the 1930s was a burgeoning city of 120,000 people mostly living in and around the present 'old town' along the Buriganga river. A major city in East Bengal under the British Raj, Dhaka was growing in importance due to the rapid socio-economic and political changes. The economy was based on trading mostly jute, cotton, tea and spices based on riverine communication. The gentry comprised of officers of the Raj, educationists, professionals, businessmen and aristocrats who mixed well socially that offered an ideal home for a Rotary in this part the planet earth.

Against the background, a group of 17 people met at a meeting held in the Imperial Bank of India Building opposite the Victoria Park (now Bahadur Shah Park) on December 22, 1937 and founded the Rotary Club of Dhaka, the first Rotary Club in the then East Bengal (and now Bangladesh). The day is observed as 'the Rotary Bangladesh Day'. The meeting was chaired by H R Wilkinson, the Charter President of the Club.

The Club sponsored by Rotary Club of Calcutta, was chartered on February 26, 1938 admitting it to Rotary International (RI) founded in the industrial city of Chicago of USA on February 23, 1905 by PAUL PERCIVAL HARRIS, an attorney, and three of his business acquaintances – GUSTAVUS OHERE, SI VESTER SCHELE AND HIRAM SHOREY. It is the largest international organization of volunteers serving the humanity.

Initial Growth of Rotary Clubs:

Rotary Clubs of Chittagong (1952-53), Narayanganj (1953-54), Khulna (1957-58), Mymensingh (1957-58), Dhaka North (1967-68) and Comilla (1968-69) were the first six Rotary Clubs sponsored by RC Dhaka.

Projects and Programs:

Rotary Dhaka in the last 84 years history has executed tens and thousands of projects and programs as Rotary was founded with an idea that Businesses and professional people could join together in fellowship and service to the community, changing the lives of hundreds and thousands of people mainly from the underprivileged community.

The major projects and programs of Rotary Dhaka include –

- **Improvement of Dhaka Railway Station in Fulbaria:** It was the first Rotary project in the then East Bengal initiated in 1939 by RC Dhaka with the Assam-Bengal Railway.

- **Distribution of Relief during Bengal Famine:** RC Dhaka organized relief centers jointly with government for distribution of free food and fuel during the infamous Bengal famine in 1943-44. 100,000 kits for boys and girls in equal numbers from age 5 to 12 from the poorest of the society.

- **Rotary Primary School:** In 1951-52, RC Dhaka founded the Rotary Primary School in East Rajabazar in Tejgaon, presently running as Rotary Government Primary School. It is the oldest running Rotary Project in Bangladesh.

- **Rotary Blind School:** The first in the country, was founded in 1956-57 by RC Dhaka. It is the nucleus for a number of Drishti Protibondhi Biddalaya (School for the Disabled Eyesight) in the country under the Jatyopr tibondhi Unnayan Foundation (Foundation for the Development of the Disabled).

- **Relief Work during 1970 Cyclone:** The Rotary responded immediately to 'Great Bhola Cyclone' that struck the coastal area of Bhola and Patuakhali on 12-13 November 1970. A unique seminar was organized, which attracted

worldwide Rotary response in launching the project 'Home for the Homeless' with financial assistance from 'World Community Service' (WCS) program of Rotary and other foreign Rotary Clubs.

- **School-cum-cyclone shelters:** In 1972-73, the club rehabilitated a large number of people affected by the 1970 cyclone in Char Fashion and built four school-cum-cyclone shelters at Manpura in Bhola, with prefabricated steel structures donated by Rotary Clubs of Japan. Subsequently, hundreds of such school-cum shelters were built along the coastal region by the government participated by a number of Rotary Clubs, donor agencies and NGOs.

- **Walkathon Program and Terry Fox Run:** From 1978 to 1999 walkathon programs and Terry Fox runs were organized by RC Dhaka jointly with the Canadian High Commission to raise funds for combating cancer.

- **Rotary Cancer Detection Unit (RCDU)** was founded in 1980 by RC Dhaka in a tin-shed in Dhaka Medical College under a MOU signed between Ministry of Health and RC Dhaka.

- **National Institute of Cancer Research and Hospital (NICRH):** In 1982, the government founded NICRH under the MOU with RCDU as the nucleus. In 1985-86 a permanent three-storied building was constructed for NICRH at a cost of 3.5 million taka, raised through the 'walkathon' program. It was the first building for NICRH. In 1986, the NICRH and RCDU was shifted to the permanent building.

The Club supplied lab equipment for NICRH with the support of Rotary Club of Balwyn, Australia. Over one million cancer patients have been treated in the RCDU in the last 40 years.

- **Sleeping Kits Distribution (SKD) program:** has been organized every year by RC Dhaka since 1983. It is the longest running program of Rotary. The program is funded by Canadian NGO 'Sleeping Children Around the World' (SCAW). Until now (2015-16) over 3.5 million Canadian dollars and 1.5 million takas have been spent for over

• **Concentrated Language Encounter (CLE):** Modern teaching method under CLE program was launched by RC Dhaka in 1996 with RI 3-H Grantmounting 500,000 USD. The program was supported by Rotary Club of Footscry, RID 9800, Australia and Rotary Foundation. The program was executed jointly with the Department of Primary Education and covered 555 government and 290 Rotary primary schools in 33 Districts of Dhaka and Rajshahi Divisions.

- **Mobile Boat Clinic:** The mobile clinic 'HASUK' on a self-propelled steel boat, was launched in 1997 under RI's matching grant program. It provided medical care, including dental and eye care facilities for 50-60 patients every day covering 68 villages in the marshy areas in Kishoreganj area. Rotary volunteer doctors from abroad provided their services in the project.

- **Rotary Medical Centre:** The project was founded by Rotary Club of Dhaka South West and Dhaka in 2000 with the support of RC Gilford in Nebraska, RID 3630. USA and Rotary Foundation. The project provides basic health care facilities from a two-storied building in a remote area Kishoreganj.

• **Combating Covid 19:** Bangladesh Rotary undertook massive humanitarian programs to provide ration and cooked food to hundreds and thousands people from low income group covering the entire country during one of the worst health crisis in the modern times. The program was participated by all Rotary clubs jointly with local government and municipalities, NGOs, corporate houses, philanthropical organisations and volunteers. Besides the Clubs distributed facemask, PPEs and other bio-safety items to frontline service providers especially in public services like hospitals.

- **Covid 19 Testing Laboratory:** Rotary Dhakain response to the Covid -19 pandemic developed RT PCR SARS CoV2 Testing Laboratory at National Institute of Cancer Research and Hospital (NICRH) under Rotary Global Grant program (GG#2117971) for testing of patients undergoing treatment for Cancer in the hospital.
- **High Flow Nasal Canola Project and beds for HDU:** The Club jointly with RC Metropolitan also distributed High Flow Nasal Canola to Kurmitola General Hospital in Dhaka Cantonment and Kuwait-Bangladesh Maitri Hospital in Banani under two separate Rotary Global Grant programs for treatment of patients with Corona infections. The Club also provided beds high dependency unit (HDU) of Kurmitola General Hospital.

Apart from the major projects and programs. Rotary Clubs in Bangladesh have been a large number of projects and programs on regular basis in keeping with the Rotary's Six Focus Areas, which include –

A. Prevention of Diseases and Treatment:

- The first eye camp in the country was organized by RC Dhaka in 1961 with the support of IPAC (Australia) and BNSB (Bangladesh National Society for the Blinds). Since then hundreds of eye camps and dental camps are organized every year by Rotary Clubs benefitting thousands of people. The programs are supported by eye ad dental hospitals and NGOs with volunteer doctors from home and abroad. Programs for School Eye Examination (SEE) and Dental Care for children under ABCD (Auss Bangla Care for Dental) are organized regularly.

- Every year the Clubs organizes a number of health camps jointly with various hospitals and healthcare organizations providing basic and specialized treatment to mostly poor and vulnerable patients with limited access to formal healthcare facilities.
- Rotary Clubs in Bangladesh has been supplying medical and laboratory equipment including Ambu bags, medical gas analyzer, freezer, wheel chairs, ambulances, equipment & reagents to various hospitals and healthcare units including Bangabandhu Medical University, NICRH, Kumudini Hospital and others.
- The Clubs organizes awareness program for prevention of cancer and other life threatening diseases including HIV and AIDS.
- Cleft Lip and Plastic, including Burn reconstruction surgery was organized supported by Rotary Club of Neopean and Penrith of Australia.
- The prosthetic hand project was introduced, providing active functional hands jointly with LN4 of USA and CRP of Bangladesh.
- The Rotary Pacemaker Bank was formed in 2007 jointly by RC of Dhaka Buriganga, Dhaka Cosmopolitan, Dhaka Mid-city, Dhaka and Dilkusha and the Heartbeat International (a US based NGO) and National Heart Foundation.
- Over 150 patients was treated for Prolapse & VVF surgery from 2012-15 with support of volunteer doctors from DAK foundation of Australia.

B. Water and Sanitation:

- Every year hundreds of hand/shallow tube-wells are installed along with sanitary latrines keeping in view the overall improvement of hygiene and sanitation of the common people, especially in rural areas.
- Rotary has undertaken a program for mitigation of arsenic in Kushtia, Jessore and other Arsenic affected areas in Bangladesh supported RI which contributed 500,000 US\$ in 1999-2000.
- An unique and pond filter was installed in Shayamnagar, Dhaka supplying pure drinking to an entire village affected by salinity.
- Rotary Dhaka has also initiated program distribution of re-usable sanitary napkins designed 'DAYS FOR GIRLS', an US based NGO. The program was introduced by RC Dhaka and Gulshan Green.

C. Maternal and Child Health:

- Rotary organizes a number of FreeClinics for mother and child in the city slums and rural areas with volunteer doctors from home and abroad including NGOs. Hundreds of poor patients are benefitted from the clinics.
- Rotary supplied lifesaving medicine to Azimpur Mother and Child Health Training Institute and Hospital for treating pregnant women with child birth complications.
- Vaccination program for children against life threatening diseases are organised. RC Dhaka organized vaccination program against Pneumonia (HIB) jointly with 16 Rotary Clubs of Nagasaki, RID 2740 and Rotary Foundation.

D. Basic Education and Literacy:

- Rotary organize a number of literacy programs including running free community schools and education centre in bastes and rural areas.
- Textbooks, writing materials, backpack, computers, training aids and manuals, furniture, school bus, including school meals are supplied regularly. The Club also provides financial assistance to meritorious poor and underprivileged students.

E. Economic and Community Development:

- Since 1950s Rotary has been involved in relief and rehabilitation works and disaster management every year during flooding, cyclones and other natural disasters. In 1970s and 1980s, Rotary has rehabilitated hundreds of families with 'hoe for the homeless' program, including supply of agriculture implements, seeds, etc. fo people affected by tornadoes and floods including cyclones Sidre (in 2007) and Aila (in 2009).
- The first passenger shed for bus passengers in Dhaka was developed in 1955 in front of the Press Club in Topkhana.
- Tree plantation program is organized every year jointly with the Forest Department and the community. Thousands of tree saplings are planted every year creating definite impact on the environment.
- Low-cost shelters have been developed throughout Bangladesh with the support of Rotary Foundation and other Rotary Clubs.
- A large number of income generation programs are undertaken every year by the Rotary Clubs under micro-credit and self finance schemes in agriculture, fishery, poultry, cattle and goat farming besides programs are undertaken for distr8bution rickshaws and rickshaw vans, etc, for income generation with especial focus on underprivileged people.
- Special programs are undertaken for empowerment of women including skill development and literacy, awareness in hygiene and self-defiance, distribution of sewing machine for income generation, etc.
- Vocational training are organizedfor job creation that include training in garment-making under 'WCS' and other programs of the Foundations. A number ofcomputer training centers have been set up for development of IT skill.
- Model villages Nanduine in Gazipur and Ramsera in Kushtia were set up for integrated rural development that include improvement of homes, schools and healthcare facility together with income generation programs in agriculture, fishery, livestock and poultry farming including training through micro-credit.
- Distribution of winter clothing, blankets, emergency food and medicine are organized every year among the underprivileged people mostly in remote areas.

F. Peace and Conflict Prevention/Resolution:

- In this world of numerous conflict zone Rotary plays a vital role in prevention of conflict and establishing peace around the world. Bangladesh Rotary has been actively participating in the RI initiative for Peace and Conflict Resolution, organizing various awareness programs.
- An RI Peace Award program was organized in 2013 to mark the 75 years Rotary in Bangladesh with Prime Minister as the Chief Guest.

Events and Programs:

- The Club regularly organizes events and programs jointly with the District and other Clubs and Rotarians. Such events and program are participated by Rotarians, countries Presidents, Prime Ministers, RI Presidents and dignitaries.

- The first RI Presidential Conference, organized by the Club on behalf of the District, was held in 2000 and participated by RI President Carlo Ravizza as the Chief Guest and Noble Laurette Professor M Yunus as key note speaker. The program included month long blood donation program and RYLA.

- The Centennial Bell Program, marking the 100th year of Rotary, was celebrated in 2005. The Bell was received by RC Dhaka. The program was participated by all Rotarians when the bell was taken round the country. The program concluded with fellowship diner participated by KallayanBannerjee (later RI President).

Rotary Club of Dhaka started its journey under Rotary International District (RID) 89 in 1937-38, covering Middle Asia (with the whole of British India, Bhutan, Ceylon and Burma) with Sir Phiroze Sethi as the first District Governor. Later the district was renumbered as RID 88. Subsequently, more districts were created with increasing number of Clubs. Rotary Dhaka in succession came under RIDs 89 (in 1937-38), 88 (in 1939-40), 90 (in 1938-40), 90 (in 1943-47), 91 (in 1946-47), 49 (in 1948-49), 53 (in 1949-50), 325 (in 1957-58), 310 (in 1966-67), 307 (in 1969-70), 325 (in 1971-72) and 329 (in 1977-78). From 1984-85, the District 328 was formed covering whole of Bangladesh with 40 Rotary Clubs. The district was re-numbered as RI District 3280 (in 1991-92). In 2013-14, with growing number of Clubs, the district was divided in two districts – RID 3281 and 3282. Rotary Dhaka came under RID 3281. 13 dedicated Rotarians from Rotary Dhaka have graced the offices of the District Governor.

Starting with 17 charter members back in 1937, Rotary Dhaka, as the mother of Rotary in Bangladesh, has sponsored 24 Rotary Clubs, 5 Rotaract and 2 Interact Clubs resulting in phenomenal growth of Rotary in Bangladesh in the last 84 years with a membership of over 10,000 Rotarians, 7,000 Rotaractors and 1,000 Interactors in over 450 Rotary Clubs, 330 Rotaract and 110 Interact Clubs in two Rotary Districts - 3281 and 3282. With the experience of World War II in 1939-45, the infamous Bengal famine in 1943-44, partition of South Asia in 1947, liberation of Bangladesh in 1971 and the present Noble Corona pandemic in 2020-21, Rotary Club of Dhaka – the GRAND NUMBER ONE – has passed through the test time with motivation and dedication to Rotary International motto 'SERVICE ABOVE SELF'.

The Targets of the Committees and Sub-Committees 2021-22

2020-21 Plan & Targets of the Club Administration Standing Committee and the Sub Committees

Standing Committee Chair: Rtn PP Kh Badrul Hasan

Mission: Make Every Member, Their Family & Partners Engaged

How do we achieve the Mission?

1. Inspiring members to attend meetings, fellowship programs and projects.
2. Encourage members to be digitally active.
3. Making members interested to become informed Rotarians.
4. Preparing for leadership within the club and beyond.
5. Involving families, partners and friends.

Plan of the Sub Committees Club Program Sub-Committee

Chairman: Rtn AHM Shariful Kabir

1. Guest speakers in at least 50% meetings.
2. Classification talks/members recent experience in 25% meetings.
3. Other fun programs in 25% meetings – by new members.
4. Training session on Rotary Topics – 12 meetings (1 in each month).
5. Include RCC members, Rotaractors and Interactors in the Club programs.
6. Dedicate meetings for different area of focus, designated months and youth activities.
7. Encourage members to join at least one of the Rotary International Fellowship Programs.
8. New members to be given opportunity to conduct programs in the meeting.
9. Minimum 5 number of members' attendance in each of the designated District Programs (Except the Grant Seminar).
10. Have 4 joint meetings with other clubs.
11. Have 1 joint meeting with partners in service.

Meeting Monitoring & Attendance Sub-Committee

Chairman: Rtn Ali Bakhtiar Mahmud Mehdi

1. 75% of the committee and subcommittee meetings to be held on line to ensure that they are working as per their terms of reference.
2. Irregular members are called to understand the reason of his/her absence and encouraged to attend the meeting.
3. Involve members in different activities in the meeting (Talk on Classification / recent experience / professional achievements / children's achievements).
4. Increase the attendance in RWM to 65%.
5. Conduct survey among the members half yearly (The first being in Sep 2021) to know their ideas about making meetings interesting.

Constitution & Bylaws Sub-Committee

Chairman: Rtn IPP Barrister Shafayat Ullah

1. Revisit the Club Bylaws and make amendment, if necessary.
2. Conduct one session to make people aware of the COL recommendations by End October 2021.

RCDU & Club Archive Sub-Committee

Chairman: Rtn PP Rafiqul Islam Rowly

1. Complete inventory of all the documents stored in RCDU.
2. Make a catalogue of all the documents and store accordingly.
3. Start digitization of the documents and archive those in RCDU.

Bulletin Sub-Committee & Editorial Board

Chairman: Rtn PP Mahera Khatun

1. A special issue on the history of RC Dhaka.
2. Publication of 6 articles from non-members professionals.

Families in Rotary Sub-Committee

Chairperson: R-Ann Yasmin Akhter

1. One weekly meeting to be dedicated for spouses.
2. Minimum 2 social events during the year.
3. Talent show of the Rotary Lets.
4. Encourage spouses and children to send write up in the Club Bulletin.

2020-21 Plan & Targets of the Membership Standing Committee and the Sub Committees

Standing Committee Chair: Rtn PP Rafiqul Islam Rowly

- Assist the Board to achieve the Membership Growth targets of the year.
- Encourage members to provide leads to enable to create a pool of 50 potential members by October 2020.
- Try to ensure the membership diversity is maintained in terms of profession/religion/nationality and gender.
- Encourage at least 10 members to participate in the District Membership Seminar.
- Ensure that new members are inducted ceremoniously.

Plan of the Sub Committees Recruitment, Assessment & Classification Sub-Committee

Chairman: Rtn PE Engr Nurul Islam

- Have total 75 members by end December.
- Ensure 90% of the existing members are retained.
- Ensure net number of 80 members by year end.
- Raise the female membership to 25% of the total (Currently 20%).
- Review the unfilled classifications and give priority to have new members who can fill the unfilled classifications.
- Recommend new classifications in which new members may be recruited.
- Have 1 corporate member by December.

Orientation & Education Sub-Committee

Chairman: Rtn Ranjan Neogi

- Ensure 100% compliance of the SOP on New Member Orientation.
- Ensure opening 'My Rotary' account within first month of membership.
- Encourage to participate in 'Rotary Learning Institute' (RLI) within first 2 years of induction.
- Organize at least 12 training programs on Rotary topics in the weekly meetings (One in each month).

Membership Monitoring & Retention Sub-Committee

Chairman: Rtn Shoeb Ahmed Masud

- Conduct a 'Membership Satisfaction Survey' by September to know the motivating factors to continue membership.
- Propose a 'Members Value Proposition' by December.
- Try to keep voluntary departure at '0' level.
- Identify the Rotarians "at risk" (Likely to leave) and devise relevant plans to reintegrate them.
- Encourage new members to join the club programs so that they find the association interesting.
- Work with the President and the Program Sub-committee to involve the members in activities during the club meetings.
- Keep the members informed about health issues of members or any other problem and arrange to visit them.
- Make a process to recognize members or their family members for their achievements inside or outside the club.
- Ask a new member to arrange an event or implement a project within first 6 months of induction.

Financial Obligation Compliance Sub-Committee

Chairman: Rtn Kamal Waris

- Ensure that members are paying their semi-annual dues within the stipulated time set by the RCD Bylaws.
- Encourage and monitor collection of the all committed amounts (including collection from advertisements).
- Follow up with the project focal points to close the projects accounts within 15 days of completion of a project.

2020-21 Plan & Targets of Public Relations Standing Committee & the Sub Committees

Standing Committee Chair: Rtn PP Sultan-ul-Abedin Molla

- Promoting Rotary in general and RC Dhaka in particular to public by increasing the public understanding of Rotary and making impact in the society by creating awareness of RC Dhaka service projects and activities.

Plan of the Sub Committees Media Relations Sub-Committee

Chairman: Rtn Rafeya Abedin

- Publicize of club activities, events, accomplishments, etc. with significant media coverage – at least 4 in print media and 3 in electronic media.
- Building rapport with Media and provide them the club newsletters and other fact sheets to arrange coverage about the RCD activities and its impact in the society – 3 number of coverages.

Marketing and Branding Sub-Committee

Chairman: Rtn Syed A B Tahmid

- Promote and implement the Rotary branding guideline in all RC Dhaka activities. Make at least 1 presentation in the club meeting to make members aware.
- Promote the Rotary's Four-Way test – 2 events.
- Delivering key messages of Rotary when speaking in a non-Rotary forum – 2 occasions.

Special Event Sub-Committee

Chairman: Rtn PP S M Anwar Hossain

- Arrange special events of the club, region and the district – 2 in the club and 2 beyond the club.
- Arrange fundraising events for the club service projects – 1 event.
- Conduct Innovation Seminars to have new ideas in club's projects and expand reach of Rotary by involving club members, youths and non-Rotarians – 1 seminar.

External Relations Sub-Committee

Chairman: Rtn Mamun Akbar

- Work with all kinds of external stakeholders (Except Media) to propagate RCD contribution and attract them to join hands with RCD in humanitarian activities – arrange 1 corporate member.
- Arrange sponsorships for the club projects – 3 projects.

Web & Social Media Sub-Committee

Chairman: Rtn Engr Shahadat Hossain Khan

- Maintain and update the club website, Facebook and YouTube for in communicating club activities within and beyond the club – coverage of 100% projects and activities beyond the meetings.
- Ensure that there is at least one post in each of the 3 above mentioned platforms in every week.
- Coordinate to post RCD projects and activities in different social media groups maintained by the Rotarians – 12 number of posts.

2020-21 Plan & Targets for Service Projects Standing Committee & the Sub Committees

Standing Committee Chair: Rtn PP Nasimul Hoq Majumder

- Provide support and arrange resources to implement at least 1 project under each sub-committee.
- Monitor that 100% projects are implemented as per club governance documents.
- All projects are closed as per the schedule.

Plan of the Sub Committees Fund Raising for Club Projects Sub-Committee

Chairman: Rtn Syed Quamruzzaman

- Arrange 1 million BDT in addition to the guaranteed fund for the club service projects.
- Arrange at least 1 Fund Raising event.
- Arrange at least 1 corporate member.

Sleeping Kits distribution Sub-Committee

Chairman: Sheikh Nahar Mahmud

- Arrange to distribute 10,000 sleeping kits.
- Arrange to raise 2.5 million BDT to meet all costs except for the kits.

Mother, Child and Adolescent Health Sub-Committee

Chairman: Rtn Dr Ireen Hossain

- Start 1 new project.

Education & Literacy Sub-Committee

Chairman: Rtn Setarunnahar, PhD

- Continue the support provided to Rajabazar School in Dhaka and Ratan Sen School in Khulna.
- Support a library by donating book.
- Start campaign on adverse effect of excessive use of computer, tab and mobile.

Disease Prevention & Treatment Sub-Committee

Chairman: Rtn PP Dr Hasina Banoo

- Implement 3 projects after making community survey.
- Arrange awareness campaign in the School on Non-Communicable Diseases.

Water and Sanitation Sub-Committee

Chairman: Rtn Engr Md Akhtaruzzaman Bhuiyan

- Aligning with DG's priorities arrange toilet and safe drinking facilities in 1 school.
- Continue and implement 2nd project on Rain Water Harvesting in South Bengal.

Economic and Community Development Sub-Committee

Chairman: Rtn Rumman Yunus

- Implement micro-credit projects through RCCs to make 10 families financially independent.

Multi Club Service Projects Sub-Committee

Chairman: Rtn PP Dr Niaz A Rahman

- Continue the current projects on Covid.
- Start 1 new project.

Vocational Training & Award Sub-Committee

Chairman: Rtn Engr Mohammad Jahangir Alam

- Implement a project to support technical education.
- Sponsor 10 students for IT related training.
- Recognize 5 people for exceptional vocational excellence.

Dental Project Sub-Committee

Chairman: Rtn Sameer Uddin

- Conduct 16 Dental camps in various schools in Dhaka and 6 Dental Camps in Rural Areas as part of the ABCD Project (A Global Grant project).
- Reporting properly to The Rotary Foundation.
- Keep Communications with RC Dee Why Warringah, Australia, NGO Forum for Public Health Dhaka and other related authorities of School Committees, Thana education Officer, Police and Club Members.

Eye Project Sub-Committee

Chairman: Rtn Dr Ishtiaque Anwar

- Implement 6 projects under School Eye Examination (SEE) Project:
Vision Test, Eye sight, Refraction and Eye Exam, Prescriptions, Awareness to the school Students.
- EYE (SCREENING) camps (3 Nos.) at different remote places.
- Sponsor 30 numbers of cataract operation.

Cleft Lips & Artificial Limb Sub-Committee

Chairman: Rtn SAM Yusuf

- Work with CRP to provide 'Prosthetic Limb' to 10 people.

Partners in Service Sub-Committee:

Chairman: Rtn Engr Md AKhterauzzman Bhuiyan

- Arrange at least 1 Joint Meeting with the partners during the year.
- Sponsor 5 candidate in RYLA.
- Invite Rotaractors and Interactors in in the Innovation Seminar.
- Involve member of the partner organization in RCD projects (300 volunteer hours).

Youth Service Sub-Committee

Chairman: Rtn K M Atkul Islam Vitu

- Arrange one Career guidance Seminar
- One Youth awareness program against Narcotics.
- Support 5 students with disabilities - wheelchairs, computers, social outings.

School Furniture Distribution Sub-Committee

Chairman: Rtn Rumman Yunus

- Arrange to distribute 100 school furniture (To be received from Scholastica School).

Combat Cancer Sub-Committee

Chairman: Rtn Dr Qazi Mushtaq Hussain

- Support to Histopathology Lab in National Institute of Cancer Research (NICRH) to continue.
- Hand over RT-PCR Lab to NICRH.
- Support of BDT 120,000/- to "Rugi Kalyan Samity" in NICRH to continue.
- Take part as a co-sponsor in the multi club Breast Cancer awareness program, Rally, Seminar.

Autism Awareness Sub-Committee

Chairman: Rtn Mituli Mahbub Hossain

- Conduct feasibility to start a long-term sustainable project.

Environmental Development Sub-Committee

Chairman: Rtn AHM Shariful Kabir

- Plant 1000 tree in different parts of the country.
- Have 2 awareness program on the use of plastic bags, industrial waste etc.

2020-21 Plan & Targets of The Rotary Foundation Standing Committee & the Sub Committees

Standing Committee Chair Rtn PP Dr Niaz A Rahman

- Ensure contribution of USD 60,000 in The Rotary Foundation (TRF).
- Ensure contribution of USD 1200 to the Polio Plus Fund.
- Bring back the 'All PHF Club status'.
- Ensure that each member has contributed minimum USD 25 to TRF.

Plan of the Sub Committees **Peace & Conflict Prevention/Resolution and Scholarship Sub-Committee**

Chairman: Rtn Rezaul Karim

- Forward at least 1 candidate for Peace Scholarships.
- After the scholarships are awarded, arrange a talk by nominated candidate in the club meeting.
- Ensure that news of such award is publicized in the social media, print and electronic media.

District & Global Grant Sub-Committee

Chairman: Rtn PP Jawherul Ghani

- Start 2 new global grant projects.
- Ensure that due periodical and final reports of the projects funded by TRF are submitted within time.
- Arrange to apply, implement and submit the report of the District Grant within stipulated time.
- Work with the Club Trainer to arrange 1 training session on the Global and District Grant.

Polio Plus Sub-Committee

Chairman: Rtn Senjuti Saha, PhD

- Ensure contribution of USD 1200 to the Polio Plus Fund.
- Ensure participation of 10 members in the PolioPlus Rally arranged by the District.

TRF Fund Raising Sub-Committee

Chairman: Rtn PP Md. Mahmudur Rahman

- Ensure total contribution of USD 60,000 in The Rotary Foundation (TRF).
- Arrange TRF contribution of USD 5,000 from people beyond Rotary.

11	Rotary Partners	All	May 22
12	Rotary Learning Institutes	All	June 22

The Swanirvar Rowmari

by Rtn Sheikh Nahar Mahmud MPHF & Rtn Mahera Khatun PHF MD PHS

The Rowmari Community Corps (RCC) established in December 2014, by the two benevolent educated volunteers Mr. M.A Momen as President and Mr. Rofiqul Alam Shaheen as General Secretary with 22 members including President and General Secretary in Rowmari Upazila of Kurigram district. We all know Kurigram is one of the deprived and backward districts in Bangladesh. Rotary Club of Dhaka (RCD) has been supporting RCC since 2011. The supports were basically relief in terms of cash, supplies and construction materials. During the flood of 2014, RCD first came forward to assist RCC with development activities. With RCD, local administration, local colleges, schools and community leaders also put their hands in these noble causes.

The main objectives and aims of RCC; i) The overall improvement of the deprived and poor populations lives and establishing peace in the community. ii) Creating awareness among the people by providing correct and true information in raising their consciousness. iii) Through team building organizing the poor people for their own development. iv) Providing micro credit to the poor people especially widows, single headed women families, adolescent girls particularly those who are going to school/colleges to continue their education by lending interest free loans. RCC also provides training on various issues eg. Basic accounting, computer

literacy, health awareness and climate changes. One of the most priority actions is tree plantation.

This microcredit project is renamed as Shanirvar Rowmari, an economic development programme for short, medium and long term assistance to the neediest families, especially day labourers, widows, female headed families and old people. Since the beginning Taka 52 lacs have been revolving among 350+ beneficiaries. This year Rotary Club of Dhaka added tk15 lacs more, which brings the total Tk 67 lacs in the micro credit fund. RCC Rowmari is highly recognised by the Kurigram district social development team and Rowmari Upzila administration, including health, DPHE, Education and Agricultural departments. As the RCC team is well trained and strong team, it is very much possible for the club leaders to monitor projects remotely.

This was more evident during the COVID 19 Pandemic situation. This Sanirvar Rowmari Programme will be continued by RC Dhaka Club until the most deprived population of the Upazilla, "Stands on by themselves" and become a model area of Rotary.

The members of the club have decided to focus RCD intervention in Rowmari, where the need is grave, they planned for short and medium term assistance to the neediest families. RCD's intervention activities will be adopted as the situation of Covid 19 evolves. RCC requires additional fund approximately Tk.10 lakhs in phases.

Rotary Fight Against Corona Project (Hot Water Filter)

Report Prepared by: Rtn PP Md. Bayezidur Rahman PHF B MD

Kurmitola General Hospital is a unique and landmark Institute of Bangladesh government, established on 13 May 2012 as a tertiary care hospital. It is located in Dhaka cantonment area, Dhaka, the capital city of Bangladesh. The total size of this multistoried hospital building is 1,200,000 Sft which consists of 12 floors, each comprises 100,000 sft. (12 Floor X 100,000 Sft. = Total 1,200,000 Sft.) A large population of Dhaka north directly becomes benefited from its operation and in a short time it became a very popular and reliable health care center to the people. In late 2019 the Kurmitola General Hospital (KGH) dealt with 6,000 outpatient and 800 inpatients in a day. At the beginning of the COVID 19 pandemic In 2020, within a short time this General Hospital was converted to COVID Hospital with the accommodation of more than 1,200 beds absolutely for COVID patients. To combat with COVID -19 infection KGH has been working as a dedicated Hospital.

Statistical analysis of the number of COVID treated patients at KGH showed that during the period of March, 2020 to 16 May 2021 there were a number of 26,648 Admitted Patients and 58,500 Outdoor patients.

Capacity of the hospital: the hospital has the capacity to deal with about 5,000 Out Patients in a day and 1,200 Inn Patients with 27 ICU and HDU is being built up by Rotary Clubs and TRF: 10 Bed through 3 Rotary GG in RY 2020-21.

Human Resource: Total 1,134 as such **Doctors:** 306,

Nurses: 400, with other Supporting Staff: 428 (Medical/ Technical: 315 & Non-Medical/ Non-Technical 113) lead by Management Team headed by a Director, a Brigadier General of Bangladesh Army who is to be a Medical Doctor. Table 1

Table -1 Human Resources of Kurmitola General Hospital

SL No	Staff pattern/ Category	Number of Staff	Total no of HR
1	Doctor/ Physician	306	1,134
2	Nurses	400	
3	Medical/ Technical	315	
4	Non Technical	113	

Unfortunately, the hospital did not have the facilities of in house purified or safe drinking water supply. More over COVID -19 patients need warm/ hot drinking water, especially in winter and hospital Management requested the Rotary Club Dhaka to arrange approximately 10 purified water dispenser with hot water supply and Rtn PP Md. Bayezidur Rahman MPHf made call with the kind cooperation of Rtn PP Md. AH Zahidul Islam Romel PHF B MD, RCU and Rtn PP Dr Niaz A Rahman PHF B MD. We could arrange 7 of requested type water dispensers with great thanks to the Sponsors as follows with very negotiated price of Tk. 31,000/= each Totaling Tk. 210,000/= under “Rotary Fight Against Corona” project”. PDG Safina Rahman, PHF B MD PHS had a very active role in this project and she had motivated some Clubs and hopes to arrange other 3 of such type water filters in the very near future.

Beneficiary: 11,934 daily (4,296,240 yearly). We are delighted and very proud to serve the humanity at distress condition. (In & Out Patie. nt: 6,300 + **Service Provider:** 1,134 + **Patient Attendant:** 4,500) Table -2

Table-2 Beneficiaries from “Rotary Fight Against Corona Project - of Rotary Club of Dhaka in KGH.

Sl. No.	No. of Beneficiaries/ care receivers	No of Beneficiaries/ care receivers	No of Beneficiaries/ care receivers	Total Number of Beneficiaries/ care receivers
	In and out patients	Service providers	Patient's Attendants	
	6,300	1,134	4,500	11,934/day

Time Spent: RC Dhaka (60 Hours) RC Uttara (30 Hours) and RC Metropolitan (10 Hours) and RC Dhaka Mahanagar (3 Hours).

Table -3: Name of the Water Filter providers and their input in term of time

Sl No	Sponsors	No. of Filter provided	Time spent
1	Mr. Taufiq Zahidur Rahman	1 No	x
2	RC Metropolitan Dhaka	3 No	10 hr
3	RC Dhaka Tilottoma	1 No	03hr
4	RC Uttara	1 No	30 hr
5	RC Dhaka	1 No	60 hr

Special Note: All these Items were supplied and installed in Covid Floor during last winter when Covid-19 was in the peak of 1st wave, hence we could not photograph the items with branding and could not do the handover ceremony. We hope to do all photography ASAP and send to all concern personnel and clubs.

নামচে বাজার, হিমালয়ের এক জমজমাট উপত্যকা রোটারিয়ান রকিব হাসান

২০১৭ তে গিয়েছিলাম এভারেস্ট বেইজ ক্যাম্প ট্র্যাকিংয়ে। বেইজ ক্যাম্প যেতে হলে নামচে বাজার হচ্ছে একটা সেন্টার পয়েন্ট যেখানে প্রায় সব পর্বতচারীকে একটা দিন থাকতেই হবে।

৩৪০০ মিটার উচ্চতায় অবস্থিত নামচেকে বলা হয় শেরপাদের রাজধানী। নেপালের সোলুখুম্বু জেলার প্রধান শহর এটি। কি নেই এখানে? পর্বতপ্রেমীদের ভিড়ে মুখরিত থাকে নামচে বাজার।

নামচে বাজার যাবার প্রবেশদ্বার হচ্ছে লুকলা। এখানে অবস্থিত তেনজিং-হিলারি এয়ারপোর্টকে বলা হয়ে পৃথিবীর সবচেয়ে বিপজ্জনক এয়ারপোর্ট। প্রায় ৯০০০ ফুট উচ্চতায় অবস্থিত এই রানওয়ের দৈর্ঘ্য ৫২৭ মিটার যেখানে স্বাভাবিকভাবে বিমান চালনার জন্যে একটি রানওয়ের ন্যূনতম দৈর্ঘ্য হওয়া উচিত ২৪০০ মিটার। লুকলা এয়ারপোর্টের শেষ মাথায় আবার দেয়াল হয়ে পাহাড় দাঁড়িয়ে আছে। এখানে কোন ফ্লাইট একবার উড্ডয়ন বার অবতরণের প্রস্তুতি নিলে সেটা তাকে করতেই হবে। হঠাৎ করে রানওয়েতে কোন ব্লক চলে এলে 'গো-এরাউন্ড' (ল্যান্ডিং এপ্রোচের পর রানওয়ে স্পর্শ না করে আবার উড়ে যাওয়া) এর কোন উপায় নেই।

লুকলা এয়ারপোর্ট, আবতরণের ঠিক আগ মুহূর্তে এবং অবতরণের পরে

প্রথমবার লুকলায় অবতরণের পর বেশ ক্লান্ত মনে হচ্ছিলো। ক্লান্তির কারণ ছিল লুকলা এয়ারপোর্টে অবতরণের উত্তেজনা, তার'পর ছিল প্রচণ্ড মাথাব্যথা। লুকলায় একটু ফ্রেশ হয়ে, হালকা চা পর্ব সেরে আমরা রওনা দিলাম ফাকদিংয়ের উদ্দেশ্যে। লুকলা থেকে ফাকদিং পর্যন্ত প্রায় পুরোটা পথ চাল বেয়ে নামা। পাহাড়ী পাথুড়ে পথ। মানুষ আর ইয়ক চলাচলের একই পথ। এখানে ভারি যেকোন কিছু পরিবহনের একমাত্র ভরসা হচ্ছে ইয়ক আর শেরপারা নিজে। পাহাড়ী জীবন প্রচণ্ড পরিশ্রমের। অভিযাত্রীদের নিরলস সেবা দেবার জন্যে শেরপারা যে অমানুষিক পরিশ্রম করে থাকে তা কাছ থেকে না দেখলে বোধগম্য হবেনা। এর জন্যে যত দূর এবং উপরে ওঠা যায়, থাকা এবং খাওয়ার খরচ পাল্লা দিয়ে বাড়তে থাকে।

মাথাব্যথার মধ্যেও সে পথ ধরে যেতে একটা অন্যরকম ভালোলাগা কাজ করছিলো, চারদিক সবুজ, হালকা ঠাণ্ডা ঝিরঝিরে বিশুদ্ধ বাতাস। ঢাকার মত শহর থেকে যাবার পর বাতাসের বিশুদ্ধতাটা কেমন আলাদা করে অনুভূত হয়, কি যে একটা ভালোলাগা!

লুকলার ঠিক পরেই চেক্ফং, ওখানে একটা সাসপেনশান ব্রীজ পার হতে হয়। আমার জন্যে এটা প্রথম কোন সাসপেনশান ব্রীজ পার হওয়া। একসাথে কজন পার হলে কেমন দুলাতে থাকে, একটা ছমছম অনুভূতি কিন্তু ভালো লাগে।

এর পরের জায়গাটার নাম ঘাট। এই জায়গাটা অনেকটা সমতল। পথের পাশে কি সুন্দর শাকসবজি আর ফুলের বাগান। ঘাট থেকে ঘণ্টা খানেক হাঁটার পর আমরা ফাকদিং পৌঁছলাম। প্রথমদিনের বিশ্রাম এবং রাত্রিযাপন ছিল এখানেই।

শরীর যদিও অনেক ক্লান্ত ছিল কিন্তু ঘুমটা ঠিকমত যুতসই হলোনা। আমরা সমতলের মানুষ, হঠাৎ করে ২৬০০ মিটার উচ্চতায় ঘুমটা ঠিকমত আসতে চায় না।

পরদিন সকালে নাস্তা সেরে আমাদের দ্বিতীয় দিনের পথ চলা শুরু করলাম। এটা ছিল সবচেয়ে পরিশ্রমসাধ্য পথ। ফাকদিং থেকে নামচে বাজার, ২৬০০ মিটার থেকে ৩৪০০ মিটার পথ আরোহণ করতে হবে। প্রায় ৭.৫ কিলোমিটার পথের পুরোটাই ওপরে ওঠা। নামচে পর্যন্ত যেতে পথে আরও তিনটি জায়গা, বেংকার, মানজো এবং জোড়েসাল।

মানজোতে গিয়ে একটা ছোট্ট বিরতি, ট্র্যাকিং পাস নেবার জন্যে।

সাগরমাথা ন্যাশনাল পার্ক, ইউনেস্কো ঘোষিত হ্যারিটেজ সাইট। এখানে ট্র্যাকিংয়ের জন্যে প্রবেশকালে অনুমতি নিতে হয়। মাউন্ট এভারেস্ট হচ্ছে এই সাগরমাথা ন্যাশনাল পার্কের অধীনে।

মানজো থেকে একটু সামনে আগালে দুধকোশি নদীর ওপর আরেকটা সাসপেনশান ব্রীজ এবং এই ব্রীজটা পার হলেই ছোট্ট গ্রাম জোরসালে! এই গ্রামটি কখনো নিস্তব্ধ থাকেনা কারণ এর পাশ দিয়ে বয়ে গেছে দুধকোশী নদী। পাহাড়ী খরস্রোতা নদী, তাই সবসময় উচ্ছল, সবসময় মুখরিত। ডানে দুধকোশিকে রেখে আমরা জোরসালের মধ্যে দিয়ে আগাচ্ছিলাম।

জোরসালের আমাদের প্রধান আকর্ষণ হচ্ছে নির্ভানা লজ, যেখানে আমরা বিশ্রাম নিয়েছিলাম। অসাধারণ প্রাণজুড়ানো একটা অতিথিশালা। এত সুন্দর আর এতটাই প্রকৃতির সান্নিধ্যে যে সমস্ত জাগতিক চাপ কোন ফাঁকে যে কোন দূরে চলে যায় এখানে এলে! এই বাড়ির লনে বসে একটা জীবন হেসেখেলে কাটিয়ে দেয়া যাবে। ঢাকা বসে এমন একটা পরিবেশ চিন্তা করা অকল্পনীয়। কেউ যদি প্রকৃতির একেবারে নিবিড় সান্নিধ্যে হারিয়ে যেতে চান, জোরসালের নির্ভানা লজে গিয়ে কিছু দিনের জন্যে হারিয়ে যেতে পারেন।

নির্ভানায় বেশ কিছুটা সময় কাটিয়ে দুপুরের খাবার খেয়ে আমাদের পথ চলা আবার শুরু করলাম। আবার দুধকোশি নদী পার হলাম। এখন দুধকোশিকে বাঁয়ে রেখে আমরা আগাচ্ছি নামচের উদ্দেশ্যে। এখান থেকে দুর্গম পথের শুরু। একেবারে খাড়া উঠে যাওয়া। নিচে থেকে উপরে তাকিয়ে আমরা দেখতে পাচ্ছিলাম হিলারি সাসপেনশান ব্রীজ। এই অঞ্চলে এটা সবচেয়ে বড় সাসপেনশান ব্রীজ। অনেকটুকু পথ খাড়া ওঠার পর এই ব্রীজটা।

ছবিতে জোরসালে গ্রাম

এই ব্রীজটা দুটো নদীর মিলন স্থলে, বোটেকোশি আর দুধকোশি। যে জায়গায়াটায় মিলেছে তার নাম লারজা ভোবান। লারজা ভোবানে এই দুই নদী মিলিত হয়ে দুধকোশি নাম নিয়ে সামনে এগিয়ে গেছে (আমরা যেদিক থেকে এসেছি)।

হিলারি সাসপেনশান ব্রীজ পার হয়ে একটু বিশ্রাম, এখান থেকে দেখতে পাওয়া যায় এভারেস্টের চূড়া, সে এক অন্যরকম অনুভূতি। লারজা ডোবান থেকে কেবলই উপরে ওঠা। পথ যেন আর শেষ হতে চায়না।

অবশেষে টুকটুক করে উঠতে উঠতে চলে এলাম নামচের প্রবেশদ্বারে।

নামচেবাজারে একটা দিন বেশি থাকতে হবে। এখানে একটা দিন রাখা হয়েছে এক্লেমাটাইজশানের জন্যে। ৩৪০০ মিটার উচ্চতায় অক্সিজেন কম তাই শরীরবৃত্তীয় ব্যাপারগুলোকে সে উচ্চতায় মানানোর জন্যে একটা দিন বেশি থাকতে হয়।

সোলুখুম্বু জেলায়, এভারেস্ট রিজিওনে নামচেবাজার সবচেয়ে জমজমাট জনপদ। আধুনিক জীবনের সমস্ত সুবিধাই আছে এখানে। এভারেস্ট বেইজ ক্যাম্প ট্র্যাকিং রুটে খুব সম্ভবত এটাই শেষ পয়েন্ট যেখানে আরাম করে হট শাওয়ার নেয়া যায়। স্কুল, হাসপাতাল, পোস্ট অফিস সবই আছে এখানে। চারদিক সাদা বরফ ঢাকা শিখরওয়ালা পর্বত দিয়ে ঘিরে আছে, গেস্ট হাউজের জানালা দিয়ে তাকালেই এই দৃশ্য, আহা! কত নয়নাভিরাম! নামচেকে তখন অদ্ভুত এবং অসাধারণ লাগে।

ওপর থেকে দেখলে, ছোট্ট একটা উপত্যকায় রঙ্গীন ছাদে মোড়ানো বিল্ডিং গুলোকে কি অপূর্বই না লাগে!

পরদিন সকালে উচ্চতার সাথে মানাতে আরও উপরে উঠে নামচে কে দেখলাম, আহা কি অপূর্ব! সেখানে একটা স্কুল আছে, তখন স্কুলের এসেম্বলিতে নেপালের জাতীয় সঙ্গীত বাজছিল। নেপালের জাতীয় সঙ্গীতের সুরটা এত মধুর মনে হয় শুনতে শুনতে একটা চেউয়ের মধ্যে ওঠানামা করছি।

সায়া থুম্গা ফুলকাহামি ইউতি মালা নেপালা.....(শত ফুল দিয়ে গাঁথা মালা আমাদের এ নেপাল....)

শুনছিলাম আর উপর থেকে নামচেকে মনে হচ্ছিলো, এ যেন একটা মালা-ই, পৃথিবীর নানা প্রান্ত থেকে আসা প্রকৃতি এবং পর্বতপ্রেমীরা এক হয়ে পৃথিবীটাকে ছোট্ট একটা মালায় গাঁথেছে।

Understanding Rotary

-Rtn PP Dr Niaz Abdur Rahman PHF B MD

All Rotarians throughout the world pride themselves to be part of a unique Global Organization which has roots in nearly all countries of the world. Since its humble beginnings in 1905 Rotary created numerous world leaders and globally took up significant projects in all walks of life, many of which will forever be milestones in the history of mankind.

Rotary is a non-political and non-religious organization open to all. There are over 35,000 member clubs worldwide, with a membership of 1.2 million individuals, known as Rotarians.^[1]

But how can one describe this organization called "Rotary"? There are so many characteristics of a Rotary Club : features of service, internationality, fellowship, classifications of each vocation, development of goodwill and world understanding, the emphasis of high ethical standards, concern for other people and many more descriptive qualities.

In 1976 the Rotary International Board of Directors was interested in creating a concise definition of the fundamental aspects of Rotary. After numerous drafts, a committee of three selected Rotarians of Rotary's Public Relation Committee presented this definition, which has been used ever since in various Rotary publications:

"Rotary is an organization of business and professional persons united worldwide who provide humanitarian service, encourage high ethical standards in all vocations and help build goodwill and peace in the world."

Those 31 words are the essence of Rotary.^[2]

The Object of Rotary is "to encourage and foster the ideal of service as a basis of worthy enterprise". The statement then lists four areas by which this "ideal of service" is fostered:

- a) through the development of acquaintance as the opportunity for service;
- b) the promotion of high ethical standards in business and professions;
- c) through service in one's personal, business and community life;
- d) advancement of international understanding, goodwill and peace.

THE 4-WAY TEST

One of the most widely printed and quoted statements of business ethics in the world is the Rotary "4-Way Test." It was created by Rotarian Herbert J. Taylor in 1932 when he was asked to take charge of the Chicago based Club Aluminum Company, which was facing bankruptcy. Taylor looked for a way to save the struggling company and drew up a 24-word code of ethics for all employees to follow in their business and professional lives. The 4-Way Test became the guide for sales, production, advertising and all relations with dealers and customers, and the survival of the company was credited to this simple philosophy.

Herb Taylor became president of Rotary International during 1954-55. The 4-Way Test was adopted by Rotary in 1943 and has been translated into more than 100 languages and published in thousands of ways. The message should be known and followed by all Rotarians.

"Of the things we think, say or do:

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?"^[1]

In our daily professional and personal life, if we can ask ourselves these four questions and act accordingly then the world would surely be a much better place to live.

Why is Rotary a unique organization? It is so because Rotary has certain distinctive features, first and foremost is the membership criteria. Only invited professionals are eligible to seek membership in a club and the person must be a professional of good standing in the community. To be finally eligible for membership, the invited person has to attend several weekly meetings to get to know what this organization is like and the other members have a chance to know the person. Finally with the consent of the board and no objection of all the members, a person is

inducted. On the other hand, the vocation or profession or the person is vitally important. Membership is based on the Classification principle which recognized business or professional service which the Rotarian renders to society. Classifications are determined by activities or services to society rather than by the position held by a particular individual. In other words, if a person is the president of a bank, he or she is not classified as "bank president" but under the classification "banking." In the past one member of each profession could be inducted in a Club so that in a Club there is representation from a variety of professions. Though the classification principle is not as dominant as it once was, it is still important that we make an effort to assure that each Rotary Club represents a cross section of the business and professional service of the community.^[2]

AVENUES OF SERVICE

Rotary is a voluntary service organization which has specific guiding principles which include the Four-Way Test (Truth, Fairness, Goodwill and Friendship) Other principals involve Rotary's commitment to Service above Self, which is channeled through Five Avenues of Service which form the foundation of club activity.

- Club Service focuses on strengthening fellowship and ensuring the effective functioning of the club.
- Vocational Service encourages Rotarians to serve others through their vocations and to practice high ethical standards
- Community Service covers the projects and activities the club undertakes to improve life in its community.
- International Service encompasses actions taken to expand Rotary's humanitarian reach around the globe and to promote world understanding and peace.
- New Generations recognizes the positive change implemented by youth and young adults through leadership development activities

Rotary clubs serve communities around the world, each with unique concerns and needs. Rotarians have continually adapted and improved the way they respond to those needs, taking on a broad range of service projects. The most successful and sustainable Rotary service tends to fall within one of the following six areas:

- Peace and conflict prevention/resolution
- Disease prevention and treatment
- Water and sanitation
- Maternal and child health
- Basic education and literacy
- Economic and community development

Rotary International and The Rotary Foundation recognize these six areas of focus as organizational priorities, and there are countless ways that Rotarians can address these needs locally and internationally.^[5]

BUILDING UP ONESELF

As I gradually understood Rotary, I found that another unique feature of this organization is that Rotary helps each and every member to build up their own professional and personal acumen. To my knowledge this is the only organization which has strict guidelines on how to execute the office responsibilities. Every member of a newly elected board of directors has to attend training courses on how to conduct club activities for the year when they will hold office. Through the years, as one takes various positions in the club as committee chair, treasurer, secretary, president, board member etc, Rotary gradually guides and teaches the individual as to how to be good at the position and eventually the individual becomes a strong professional. This is such an excellent way of training individuals to build up their own expertise to be used in their own professional and personal life. To achieve this, Rotary International has detailed training manuals and every year conduct courses in every district which the club officials must attend. These 'free' courses are of such high quality that to avail similar, one has to enroll in a university or management courses at huge expenses. On the other hand, through weekly fellowship meetings and participating in service projects, Club members learn how to work amicably and interact with their peers and be a better human being.

THE ROTARY FOUNDATION (TRF)

Lastly, I want to touch upon TRF.

The Rotary Foundation is a non-profit corporation that supports the efforts of Rotary International to achieve world understanding and peace through international humanitarian, educational, and cultural exchange programs. It is supported solely by voluntary contributions.

The Foundation was created in 1917 by Rotary International's sixth president, Arch C. Klumph, as an endowment fund for Rotary "to do good in the world." It has grown from an initial contribution of US\$26.50 to more than US\$1billion. It has one of the largest and most prestigious international fellowship programs in the world.^[3]

FEW IMPORTANT FACTS

- The Foundation is supported solely by voluntary contributions.
- It was created in 1917 by Rotary International's sixth president, Arch C. Klumph, as an endowment fund for Rotary "to do good in the world."
- It has grown from an initial contribution of US\$26.50 to more than US\$3billion.
- TRF is one of the largest donor organizations in the world.
- TRF has received the best scores of all charity organizations in the world for last many years with 99.16% Financial rating and 100% Accountability & Transparency.^[4]

The funds raised in TRF is distributed throughout the world to Rotary Clubs taking on worthy humanitarian projects through Global Grants. These Grants have specific guidelines and are strictly monitored to give a 100% transparency. Of any donor fund, throughout the world, TRF Grants has the highest ratio of utilization in projects as in Rotary the overhead expenses are minimum and there is nearly 90% utilization.

CONCLUSION

Rotary is a great organization, an organization of a lifetime. It is a fraternity of global friends and professionals with the motto of 'Service above Self'. The support one gets from fellow Club members to members of other clubs to Rotarians of different countries is incomparable. Rotarians become part of a lifetime family. Apart from the few aspects of Rotary mentioned above there are many others which encompasses a wide variety of social and professional walks of life. Rotary lets one unleash hidden potentials and be a better professional, a better human being and gives one the opportunity to effectively serve humanity.

Red Roses of Sheikh Jarrah

Rtn PP Md. Mahmudur Rahman PHF B MD

I will die for you
thousands of arrows are in line to be in flight
and
die before the doom of the pre down hour.
We all will die for you

to have you

Oh dear Palestine.
They can flatten the skyline, take us down but
can't take

all that is us.

Ye..a..hh.....A...ll...a...h....
my bomb wounded brother's scream spirals like
a tornado...
in this God forsaken land, like
an unseen but heavenly body that hangs
way past the old time, older than Moses, when
only you were here mama

..they have been coming from all over, to
make campfire of Camp David and
all the Satanic verses they have been writing
till now to ensure

we all are left to die
with the dust. Exporters

of democracies who:
enthroned the kings to enslave
them, are now showing their bifurcated
serpentine tongues, so that the slaves can stab us
in the back
shut us up.

H...e...y.... H..e..y ...you over there, with
Rajneesh like long beard....w...h...y...why you are in
my garden of Eden

about to pluck the red roses

Don't you know my: fathers brothers sisters all
a...l.....l....

have coagulated to make each petal
their body parts: limbs heads hands torso are thrown all over
for years after years are

the fertilizer
that makes these red roses of Sheikh Jarrah.
G.....o.....

go back to the yellowish pages of
history or take
shelter under the iron helmet.

CITATION GOALS AND INSTRUCTIONS

To be eligible for the Rotary Citation, clubs need to begin the year as active clubs in good standing – or having paid each invoice balance in full upon receipt. To verify that your club is in good standing, check your daily club balance report under Club Administration > Club Finances. You should have an outstanding balance of \$0.00. Invoices are due when they are posted, in mid-January and mid-July.

Rotary club leaders can go into Rotary Club Central and select at least 13 out of 25 goals they wish to apply toward citation achievement. This flexibility allows clubs to choose the goals that are most relevant and achievable. In addition, many goals will be self-reported by marking “achieved” in Rotary Club Central.

To achieve the citation:

- ☒ Go to Rotary Club Central
- ☒ Review the 25 available goals
- ☒ Select at least 13 goals (or more than 50% of the available goals)
- ☒ Achieve those goals
- ☒ Report achievement in Rotary Club Central

Once you are in Rotary Club Central, navigate to the **Goal Center**, select the **year**, and click on the **All tab** to see the goals.

Goal	Goal Detail
Club membership	How many total members does your club want by the end of the Rotary year?
Service participation	How many members will participate in club service activities during the Rotary year?
New member sponsorship	How many members will sponsor a new club member during the Rotary year?
Rotary Action Group participation	How many club members will be members of at least one Rotarian Action Group (RAG) during the Rotary year?
Leadership development participation	How many members will participate in leadership development programs or activities during the Rotary year?
District conference attendance	How many members will attend your district conference?
Rotary Fellowship participation	How many club members will be members of a Rotary Fellowship during the Rotary year?
District training participation	How many of your club's committee chairs will attend the district training assembly?
Annual Fund contributions	How much money will be contributed to The Rotary Foundation Annual Fund by your club and its members during the Rotary year?

CITATION GOALS AND INSTRUCTIONS

Goal	Goal Detail
PolioPlus Fund contributions	How much money will be contributed to The Rotary Foundation PolioPlus Fund by your club and its members during the Rotary year?
Major gifts	How many single outright donations of US\$10,000 or more will be made by individuals associated with your club during the Rotary year?
Bequest Society members	How many individuals or couples will inform The Rotary Foundation of their plans to leave US\$10,000 or more to The Rotary Foundation through their estate?
Benefactors	How many individuals or couples will inform The Rotary Foundation of their estate plans to include the Endowment Fund as a beneficiary or will make an outright gift of US\$1,000 or more to the Endowment Fund?
Service projects	How many service projects will your club complete during the Rotary year?
Rotaract clubs	How many new and existing Rotaract clubs will your club sponsor during the Rotary year?
Interact clubs	How many new and existing Interact clubs will your club sponsor during the Rotary year?
Inbound Youth Exchange students	How many Rotary Youth Exchange students will your club host during the Rotary year?
Outbound Youth Exchange students	How many Rotary Youth Exchange students will your club sponsor during the Rotary year?
RYLA participation	How many individuals will your club sponsor to participate in Rotary Youth Leadership Awards (RYLA) events during the Rotary year?
Strategic plan	Does your club have an up-to-date strategic plan?
Online presence	Does your club's online presence accurately reflect its current activities?
Social activities	How many social activities will your club hold outside of regular meetings during the Rotary year?
Update website and social media	During the Rotary year, how many times per month will your club's website or social media accounts be updated?
Media stories about club projects	How many media stories will cover your club's projects during the Rotary year?
Use of official Rotary promotional materials	Did your club use Rotary International's advertising and public service materials, such as broadcast videos, print ads, and other official materials available in the Brand Center, to promote Rotary in your community during the Rotary year?

More Power to Women

The first ever AKS of the Rotary Club of Dhaka – Rtn. Mituli Mahbub Hossain.

Since the birth of Rotary Club of Dhaka in 1937, she has been the first person to have the generosity and courage to be among the Rotary Foundation's highest tier of donors the **Arch Klumph Society (AKS)**. Moreover, she is one of our Female members. Mituli is generous, Able, Potential, Diligent, Intelligent and Professional to lead the Club and beyond.

We the members of Rotary Club of Dhaka are proud and happy to have Rtn Mituli Mahbub Hossain in our Club.

Congratulations Mituli

You have the power and magic
to
“Serve to Change Lives”

A historic photo: While **Rtn Md. Mahmudur Rahman** is taking the **best President's (2018-19) award from Late PDG Rtn Ali Mahbub**, with the presence of DG AFM Alamgir (2018-19) Rtn **PP Dr. Niaz Abdur Rahman**, President (2020-21) Rtn **Barrister Md Shafayat Ullah** President (2021-22) Rtn **Abu Nawaz Bhuiyan** are all their with their bright smiling presence. This is the strength of RC Dhaka, all works together to keep the club in the zenith, each year, year after year..... has been so for last 85 years... will be so for years to come. May Allah help us all.

*Celebrating 85 Year of Rotary Club of Dhaka
We join Rotary to Serve the Community
and*

***WE HAVE THE POWER AND THE MAGIC
TO
SERVE TO CHANGE LIVES***

*With the best compliments
from*

Established in 1991, Confidence Cement Limited is one of the largest producers of cement in the country. It is also a leading Blue-Chip company in both Dhaka & Chittagong Stock Exchange and has been the top 20 performing companies for the last 30 years.

Established in 2010, Confidence Batteries (CBL) was created in anticipation of a surge in demand for battery-powered transportation. With around 600,000 battery-powered vehicles on the road at the moment, CBL controls over 20% of market share in Bangladesh.

Confidence Infrastructure (CIL), Confidence Group's vehicle in the field of construction and development of new infrastructure in power, railways, telecom, road networks, dredging and river protection combines manufacturing of various middle to light engineering products with its front end services for highest amount of local value addition.

DTL is an International Gateway (IGW) service provider, offering high quality call routing and call termination facilities having its own International Internet Gateway (IIG) and National Internet Exchange (NIX). In 2019, DTL launched its ISP operations with brand name, MIME.

Started in the year 2017, Confidence Power Holdings (CPHL) now owns and manages four Independent Power Plants (IPP), two in Bogura, and one each in Rangpur and Chattogram region aspiring to take its total capacity to over 1,000MW by 2023.
